

2026-2027 The Art Camp Policy Agreement

Recent Update: 1/28/2026

The Art Camp is very excited to get back to serving our community and our Happy Campers for the summer 2026! Please carefully read and understand the entire contents of The Art Camp Policy Agreement prior to enrollment, as there are some important changes to policies from previous years. Parents and legal guardians (“you” or “your”) will sign the 2026-2027 The Art Camp Policy Agreement in agreement with the terms and conditions described when they enroll their children (our “Campers”) at The Art Camp through our online camp application. By signing the Agreement, you constitute your consent and agreement to be bound by all the terms and conditions of this Agreement. If you do not agree with any of the terms and conditions in the Agreement, we will unfortunately be unable to enroll your child into The Art Camp for summer 2026. This 2026- 2027 Art Camp Policy Agreement is between you and Barnhouse, Inc. dba The Art Camp (“The Art Camp” or “Art Camp”).

If your child is dismissed from our summer program for disciplinary measures, you will receive a prorated refund in the amount of any unused tuition for the remaining time of enrollment. While The Art Camp strives to make Camp enjoyable for all Campers, satisfaction with the experience is subjective on the part of the child and the parent. Therefore, it is understood and agreed that The Art Camp cannot and does not guarantee or warrant any campers' satisfaction. It is also understood and agreed that there are no other agreements, expressed or implied, between The Art Camp and you or your child regarding The Art Camp's programs or activities.

CHANGING YOUR ENROLLMENT

You are permitted to change your enrollment (ex: switching sessions) before May 31, 2026 with no fee or penalty if The Art Camp has the additional availability. Priority will be given to those families on the waitlist, but if there is additional space after providing priority to waitlisted families, we will accommodate you.

MAKE UP DAYS

You are financially responsible for all camp days that your child has registered to attend. The Art Camp does not offer any prorating or discounts for travel or any other reasons. See below The Art Camp's 2026 policy for cancellations and absences related to illness.

ABSENCES DUE TO ILLNESS

Partial refunds will be issued if a camper misses 2 or more camp days due to illness. If a camper misses only 1 day, no refund will be issued.

For 2-5 days: If this occurs, we will offer a 75% refund for the missed days, minus the deposit fee and any credit card processing fees OR a full credit for future camp (Thanksgiving/Winter/Spring/Summer), minus the deposit fee & any credit card fees.

For more than 5 days: Campers must provide documentation from a licensed Healthcare Provider (MD, DO, NP or PA) stating that they need to miss 5 or more days of camp and the condition for the required absence. If this occurs, we will offer a 85% refund for the missed days, minus the deposit fee and any credit card processing fees OR a full credit for future camp (Winter/Spring/Summer), minus the deposit fee & any credit card fees.

To clarify, The Art Camp reserves the right to change our policies (masking, distancing etc) based on LA County Health Department guidelines. If parents choose to remove their child from camp due to changing of guidelines, we will offer a 75% refund for the missed days, minus the deposit fee and any credit card processing fees OR a credit for future camp (Winter/Spring/Summer), minus the deposit fee & any credit card fees.

CLOSURE OF CAMP

If camp is forced to close due to the county or state authorities before camp starts (June 22, 2026), The Art Camp will offer a 90% refund per family (minus the 5% deposit fee and any credit card processing fees). Art Camp will keep the additional 10% to cover rent, utilities, operating/planning expenses and other miscellaneous non-recoverable expenses.

If camp is forced to close due to the county or state authorities at any point after the first summer session has begun on June 22, 2026, no refunds shall be offered by Art Camp for any period(s) of closure. Under these circumstances, The Art Camp will take whatever reasonable steps we can to attempt to reopen camp as soon as practicable.

HEALTH & SAFETY PLAN:

We have based our plan on recommendations from the California Department of Public Health, the Los Angeles County Department of Public Health, the American Camp Association, and the CDC. This plan

requires the FULL cooperation of our Art Camp families. ***Please read our full pandemic plan on our website (click on the 2026 ART CAMP HEALTH & SAFETY INFORMATION PACKET) link.***

The Art Camp's Health and Safety plan is in agreement with public health experts. We have based our plan on recommendations from the California Department of Public Health, the Los Angeles County Department of Public Health, the American Camp Association, and the CDC. We have and will continue to implement the following precautions and safety measures:

1. Proper hygiene - with additional hand washing stations around campus. Campers will be reminded to wash their hands frequently.
2. Extra cleaning and sanitizing daily on high touch areas. Additional custodial staff to ensure extra deep cleaning throughout the day, and in all restrooms. Additional custodial staff to clean each night. Additional cleaning each weekend as needed in order to prepare for each week.
3. Cleaning staff will use the Art Camp's Electrostatic Sprayer to disinfect any high touch surfaces as needed.
4. Campers spend a portion of their days outside in fresh air. Many groups will have 1 of their 4 activities in an outdoor classroom (weather permitting). They will also go outside for their morning snack, afternoon snack, lunch & play times. For any indoor activities, they will go outdoors as much as possible (based on the weather and the type of activity being done). Additionally, while indoors, the windows & doors will remain open as much as possible (weather permitting).
5. Prompt identification and isolation of sick individuals; there is a designated "sick room" for any child who is ill and is waiting to be picked up.
6. Employee training & ongoing communications. Staff have been instructed to stay home if ill with a fever.
7. Water Jugs - Please send your child to camp with a large refillable water bottle. If they need a refill, an adult will help them do that. We will also sell bottled water in our camp office.
8. Small group size- Art Camp 101 & Jr Camp Groups have a maximum of 18 children, Upper & Teen Camp Groups have a maximum of 20 children.
9. All groups are considered "stable" groups, meaning the same campers & staff are in the same group all day Monday- Friday.

SCENARIOS IN WHICH CHILDREN ARE ILL

1. If a child displays symptoms of illness, that child stays home until fever free for 12-24 hours without the use of fever-reducing medication and has improved symptoms before returning.

2. If a camper tests positive for COVID-19 another communicable respiratory illness (ex: Flu/RSV), they should stay home and isolate until they are fever-free for 12-24 hours without medication and other symptoms are improving. A negative antigen test after 5 days may support an earlier return, but return is based on symptoms and fever-free status.
 - a. The group exposed to the positive child (close contacts *who were exposed at Camp*) are not required to quarantine (a group is considered to have been exposed to a case during the infectious period if they shared the same indoor airspace at Camp with the infected person for 15 minutes or more over a 24-hour period). Close contacts should monitor for symptoms but do not have to stay home if asymptomatic.

Please do not send your child to camp should they show any signs of illness. If a child is sick or experiencing symptoms at camp, they will be isolated and we will call you immediately. It is very important that the camper be picked up as soon as possible. Children must remain fever free for 12-24 hours without fever reducing medications, and be symptom free to return to camp (this means that they cannot return the following day if sent home with a fever.)
