

## Project Manager – Civil Engineering

**Location:** Denver, CO

**Department:** Civil Engineering

**Type:** Full-Time

**Salary:** \$95,000 - \$110,000 annually

### Join Our Dynamic Team at Terracina Design!

At Terracina Design we're passionate about crafting communities through innovative civil engineering solutions. We're seeking a talented Civil Engineer with 8-10 years of experience to join our collaborative and energetic team. Whether you are a project engineer looking to take the next step or a project manager with a couple years' experience managing projects. We are looking for you!

### Why Terracina Design?

Terracina Design is a leading multi-disciplinary firm in Denver specializing in Planning, Engineering, and Landscape Architecture. Working at Terracina will provide you:

- **Diverse Projects:** Work on a variety of exciting projects, including residential subdivisions, commercial developments, mixed-use communities, and energy initiatives.
- **Collaborative Culture:** Join a team that values open communication, mentorship, and a healthy work-life balance.
- **Career Growth:** Take advantage of opportunities to develop your technical and leadership skills while contributing to meaningful projects.
- **Fun & Inclusive Environment:** We believe in hard work and having fun, fostering a workplace where creativity and camaraderie thrive.

### What You'll Do

As a Project Manager, you'll play a key role in delivering high-quality civil engineering projects under the guidance of senior leadership. Your responsibilities will include:

- **Design & Technical Expertise:** Prepare civil engineering designs, including grading, roadways, stormwater networks, utility improvements, and pipe networks using AutoCAD Civil 3D, StormCAD, MHFD design worksheets, SWMM, and WaterCAD.
- **Project Coordination:** Collaborate with review agencies, respond to plan review comments, and manage client communications to ensure smooth project execution.
- **Documentation & Analysis:** Develop construction documents, specifications, entitlement documents, permit applications, and supporting calculations (e.g., storm drain, wastewater, earthwork quantities, and cost estimates).
- **Mentorship & Leadership:** Provide guidance to team members, perform QA/QC reviews, and foster the growth of junior staff through mentorship.
- **Project Management:** Work within budget and schedule constraints, exercising judgment and independence on smaller projects while supporting larger initiatives.

## Who You Are

We're looking for a motivated professional who embodies our values and brings the following qualifications:

- **Education & Licensure:** Bachelor's degree in Civil Engineering and a Professional Engineer (PE) license in Colorado (or eligibility for reciprocity).
- **Technical Skills:** Proficient in AutoCAD Civil 3D, Microsoft Office Suite (Word, Excel, PowerPoint), StormCAD, MHFD design worksheets, SWMM, and WaterCAD.
- **Experience:** 8-10 years of experience in civil site design and project coordination, with a strong understanding of site development (water systems, sanitary sewer, storm drainage, roadways).
- **Soft Skills:** Excellent communication, organizational, and writing skills; thrives in a team-oriented environment; detail-oriented yet able to grasp conceptual development.
- **Mindset:** Results-driven, reliable, and passionate about delivering exceptional work while prioritizing the health, safety, and welfare of the public.

## Our Culture

At Terracina Design, we value:

- **Collaboration:** Thriving in a team-oriented environment where ideas are shared and compromise is embraced.
- **Excellence:** Taking pride in producing high-quality work and providing top-tier client service.
- **Accountability:** Accepting personal responsibility and driving results.
- **Growth:** Committing to continuous learning and professional development.

## Benefits & Perks

We're committed to supporting our employees' growth and well-being with:

- Competitive salary (\$95,000 - \$110,000 annually)
- 401(k) with matching
- Comprehensive health and dental insurance
- Paid Time Off
- Summer Fridays
- A fun, inclusive workplace that encourages creativity and collaboration

## Ready to Make an Impact?

Join Terracina Design and help shape the future of Denver's communities! Apply today to bring your expertise and passion to our innovative team.

**To Apply:** Submit your resume and cover letter to [dbacci@terracinadesign.com](mailto:dbacci@terracinadesign.com). We can't wait to meet you!
