

Graduate Civil Engineer (0-1 yrs. experience)

Location: Denver, CO

Department: Civil Engineering

Type: Full Time (40 hours/ week)

Are you a Civil Engineer fresh out of school or with minimal experience? Come and grow your career at Terracina Design in Denver, CO! We are looking for talented, highly motivated, and enthusiastic individuals to join our Civil Engineering team!

Established in 2013, Terracina Design is a multi-disciplinary firm specializing in Planning, Civil Engineering, and Landscape Architecture. We pride ourselves on providing the highest level of services and value to our clients and their projects. Terracina Design utilizes a small studio approach, which allows us to provide an elevated level of personal service for every project.

Check out more about us at www.terracedesign.com

We are seeking Civil Engineer professionals who are interested in being part of a growing, innovative, and energetic team. The position will include working on a diverse range of project types including residential, commercial, large mixed use, and energy.

The ideal candidate must have good verbal communication, organizational, and writing skills. The applicant shall be organized, initiative-taking, and possess the ability to collaboratively solve complex issues on time and within budget.

Individuals shall be interested in advancing their technical skills, learning the company's standard practices, and having a passion for working in a team environment. A large amount of time will be dedicated to becoming proficient in AutoCAD Civil3D while supporting a Project Manager.

At Terracina Design, we also encourage our team members to further their career with the pursuit of a Professional Engineering license.

Office Culture:

- Team-oriented environment promotes collaboration and conversation to drive results.
- A fun and fast paced office flow that encourages growth and innovation.
- Enthusiastic about providing the highest level of communication and client services.
- Open office atmosphere, working side by side with Planners and Landscape Architects.
- Embrace the 'Work hard and play hard' lifestyle. Terracina Design believes in employee development. Our goal is to not lose sight of maintaining a healthy work life balance that includes a culture of fun, along with hard work.
- We encourage a creative environment that motivates you inside and outside of the office.
- Not to mention Happy Hours and Bring your Dog to the office days! Check out our Instagram for some fun posts!

Responsibilities

Terracina Design is proud to offer the opportunity to work with a small, experienced team of Civil Engineers. While conducting engineering design under the supervision of an experienced engineer, the individual will gain knowledge from our mentors with over 25 years of experience.

- Assist Project Managers with entry-level engineering design.
- Prepare calculations, such as storm drain, wastewater, water system, earthwork quantities, transportation, cost estimates, and other supporting documentation for public and private projects.
- Assist in the preparation of submittal packages.
- Provide creative designs, schematic drawings, and final working drawings under the supervision of an experienced engineer.
- Performs work per agreed-upon budget and schedule under supervision.
- Work with the site design team including planners and landscape architects.
- Hold paramount the health, safety, and welfare of the public; place the firm's success as a high priority.
- Other duties assigned.

Qualifications

- Bachelor's degree in Civil Engineering.
- Engineer in Training (EIT) Certificate or ability to obtain.
- Ability to quickly learn AutoCAD, AutoCAD Civil 3D Design, or similar applications.
- Proficiency with Microsoft Office Suite, including Word, Excel, and PowerPoint.
- Excellent written and communication skills. A detail-oriented ability to comprehend and follow directions, both creative and analytical.
- Ability to effectively participate as part of a team.
- Ability to multi-task and coordinate on multiple projects.
- Takes pride in producing excellent work.

Benefits

Terracina Design offers competitive pay, a complete benefits package, and the bar is always stocked! Our office is a casual work environment with opportunities for growth and advancement.

- Full time employees are eligible for Medical, Dental, and Healthcare FSA. Terracina Design offers a 401(k) plan with up to 4% company match.
- Staff receives paid holidays, an accrual PTO program starting at 14 days per calendar year, and a summer schedule with every other Friday off.
- Base compensation range: \$60,000-\$65,000, dependent on experience.

How to join our Team
