

## CLAIM PROCESS

---

Your claim will be ready to settle when your doctors say your injuries have stabilised.

The process of the claim will usually take approximately two years from the date of the accident although this may vary from claim to claim.

### SETTLEMENT CAN BE REACHED IN A NUMBER OF WAYS

- ▶ Through correspondence between this office and the insurance company
- ▶ At an informal conference held with the insurance company or its solicitors
- ▶ At a pre-trial conference at the District Court
- ▶ Through a Trial
