

Stalwart Safety

ANSI Cut Level A2 High Dexterity Knit ESD Touchscreen Glove

Application

Excellent for Clean room, Electronics, Paint lines, Aerospace/Automotive Manufacturing, and any other material handling applications that require low lint working environments with cut resistance, electrostatic dissipation and touch screen.

Product Code: A2HDK

Description

- High dexterity knitting provides bare hand feel
- ANSI Cut Level A2 protection
- Carbon fiber keeps the glove Anti-Static and provides touch screen capabilities
- Low lint yarn helps keep the product being handled clean
- Inspection style is comfortable and lightweight
- Silicone free manufacturing formulations

Technical Data

- ANSI Cut Level – A2
- ASTM F2992-15 – 615g
- EN388 Abrasion – 2
- EN388 Cut – 3
- EN388 Tear – 2
- EN388 Puncture – N/A
- ISO 14644 Compliant

Construction

- Shell – HPPE/Carbon/Nylon/Spandex
- Coating – N/A
- Wrist – Integrated Knit Wrist
- Thumb – Ambidextrous Knit

Care Guidelines

Launder in warm water (40°C/104°F) using mild detergent, tumble dry at Low temperature (40°C/104°F).

Packaging

- 12 pair polybag
- 300 pair carton

Sizes
