

# Stalwart Safety

## Full Cut Resistant Pant Series

### Application

Glass Handling – Automotive, Architectural, Float Glass, Window/Door Manufacturing, Metal Stamping, Steel Mills, Recycling, Automotive Manufacturing, and many other material handling applications requiring high levels of cut and abrasion protection.

### Description

- HPPE-Composite yarns provide high levels of cut and abrasion resistance.
- Available in ANSI Cut Levels A5, A7, A8, A9!
- Full Leg Pants provide full coverage protection while keeping complete freedom of movement.
- Belt loops allow for non-snag belt to be used to keep pants in place
- 2 Pockets standard, abrasion resistant and high visibility augmentations optional.

## Product Codes: A5GPS, A7GPS, A8GPS, A9GPS

### Technical Data

- ANSI CUT LEVEL A5, A7, A8, A9
- EN388 Abrasion – 4
- EN388 Cut – 5
- EN388 Tear – 4
- EN388 Puncture – X

### Care Guidelines

Do not dry clean, launder in cold water only using mild detergent, no bleach or oxidizers, do not iron. Do not dry using heat.

**Important:** If you dry using any heat, this garment will shrink, do not use heat to dry, hang or lay flat to dry, will dry after spin cycle in laundry within 2 to 4 hours of air drying.
