Split Leather Welder's Glove - Jersey Lined Gauntlet Cuff

Application

Standard Stick Welding, Pipe Fitting & Manufacturing, Construction, Recycling, Demolition and many other material handling applications requiring good protection, especially from impact and puncture at the fingertips.

Description

- Split leather back provides abrasion resistance for heavy duty rugged wear.
- Soft jersey double palm cotton lining in hand provides insulation and comfort on the hand.
- Aramid yarn sewing increases strength of seams and increases efficacy of glove overall.
- Plastic finger caps allow for puncture resistance and added protection to the fingertips.
