ORDINANCES

DOCTRINE

The Power of The Covenant

The Power of The Word

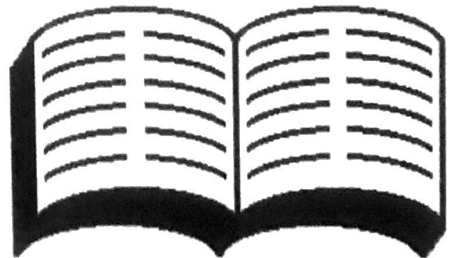

The ordinances speak of the word, revelations, and scriptures.

They are not separate nor mutually exclusive.

They go together, hand in hand, for our salvation.

It is not either/or. Both are essential.

Both come through the Prophet Joseph Smith

The written word testifies of the TEMPLE of the need for ordinances.

Priesthood =
To seek diligently to sanctify your wife, children, brother, sister, or student, to behold My face, enter My presence, and receive a fulness of joy.
