

THE MESSAGE OF THE SCRIPTURES

So, the name JESUS CHRIST literally means Jehovah, the One who is Anointed to Save.

The meaning of his holy name carries with it a description of his divine mission and purpose.

He is anointed to save us from: ALL THE EFFECTS OF THE FALL OF ADAM

to save us to: ETERNAL LIFE [which means to live like God]

How does he save us?: THROUGH HIS "ATONEMENT"

2N9:11 - Holy One
12, 15, 18, 19, 20²

Luke 10:42

"The message of the Old Testament is the message of Christ and his coming and his atonement."
[Marion G. Romney, Aug 1979, BYU]

So, what is the message of the New Testament? Surely it is the message of Christ and his coming and his atonement! And what is the message of the Book of Mormon, Another Testament of Jesus Christ? Well, surely it is the message of Christ and his coming and his atonement!! And what is the message of the Doctrine & Covenants (a Further Testament)? Again it must be the message of Christ and his comings [his first and second comings] and his atonement!!! We'll leave you to answer for yourself the message of the Pearl of Great Price (a Collective Testament of Jesus Christ)!!!!
So we see the scriptures are not History, they are HisStory! What is that STORY? Stay tuned!
