what makes our **PIZZA** the real deal?

We use 100% handmade, slow-to-rise Pizza dough from Italian Pizza 00 Flour. Completely kneaded by hand, never with a kitchen mixer.

Our pizzas have flame blisters and bubbles, also called leopard spotting, in its Cornicione (pizza edge/rim). This indicates that the dough is properly fermented and activated in the hot oven.

Once cooked, our pizzas are elastic and easy to fold--- tender, light, and moist at the same time. This is telling of authentic Neapolitan pizzas!

Our pizzas use Fresh Basil in our toppings and our pizza sauce.

Each pie uses 100g of genuine Italian Mozzarella cheese and top quality Neapolitan Extra Virgin Olive Oil.

Our pizzas have bright red Tomato sauce that is slightly tangy to the taste and is simply made with 3 ingredients: Italian San Marzano whole peeled tomatoes, basil leaves, and salt. Nothing else!

Pizzas are stone-baked in our Ooni ovens at a minimum of 450° C (842° F)!
