

Equity Statement

Crouch Kayak Club is committed to treat everyone equally within the context of their activity, regardless of gender, ethnic origin, religion, disability, age, sexual orientation or political persuasion.

Crouch Kayak Club will ensure that equity as stated in the club rules is incorporated in all aspects of its activities and also recognises and adopts the Sport England definition of Sports Equity.

Sports Equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of paddle sport to ensure that it becomes equally accessible to all members of society, whatever their age, ability, gender, race, ethnicity, sexuality or socio-economic status.

Crouch Kayak Club is committed to everyone having the right to enjoy paddle sports in an environment free from threat of discrimination, intimidation, harassment and abuse.

All Crouch Kayak Club members have a responsibility to challenge discriminatory behaviour and promote equality of opportunity.

Crouch Kayak Club will deal with any incidence of discriminatory behaviour seriously, according to the club disciplinary procedures.

Crouch Kayak Club will look to implement long-term practices within the clubs financial and safety boundaries to enable our club to collectively and collaboratively, as a team, create equity and diversity around the club's activities, needs and expectations.
