If any man will come after me, let him deny himself, take up his cross, and follow me. Matthew 16:24

Greetings from south of the border! As we consider Jesus' command, we appreciate your prayers that we, as believers, especially the youth, can obey the Lord's command and deny ourselves and take up our cross daily.

We were blessed in January to have the ACC Foundation Trustee meeting in Tecate. The testimonies and love of the Brethren

was an inspiration to our Church. May the Lord bless all of you who are laboring together for the good of our Church body.

Bros Glen and Alex were inspired to teach a class on directing singing to those Brothers who desired to learn. May the Lord prosper the efforts of those who taught and the Brothers who attended, that we can praise the Lord together in song!

Also, this month the children and a group from Little Hands orphanage went to sing with Sis Dulce. Sis Dulce has many health problems and very seldom gets out. The enthusiasm and praises coming from this group brought her much joy.

Visiting Sis Dulce

For our San Jose, Sonora group, we would ask for you to intercede on their behalf. There is fighting between 2 cartels again, and the Believers are almost afraid to come out of their homes. Let's pray for peace in that town, so that they can freely share the gospel of Jesus, which brings peace.

Thank you for your love and support.

**The ACCF Missionary Committee** is pleased to announce that after much discussion, deliberation and prayer, we have brought Hope Ministries under the Missionary Committee as one of our Missions. Bro Scott and Sis Michelle have decades of experience serving in Brazil and have been faithfully doing the Lord's work in a land and among a people in desperate need of the Lord's healing touch. The Ministry meets not only the physical and humanitarian needs, as best they are able, the team also shares the Gospel, disciples new believers into maturity, and helps those who are growing find opportunities to serve. Please keep them in prayer as they continue to serve, and the Missionary Committee as we offer prayer support, some accountability and Spirit led guidance.

# Hope Ministries

Brazil

Dear Brothers and Sisters,

Greetings from Hope Ministries in Brazil!

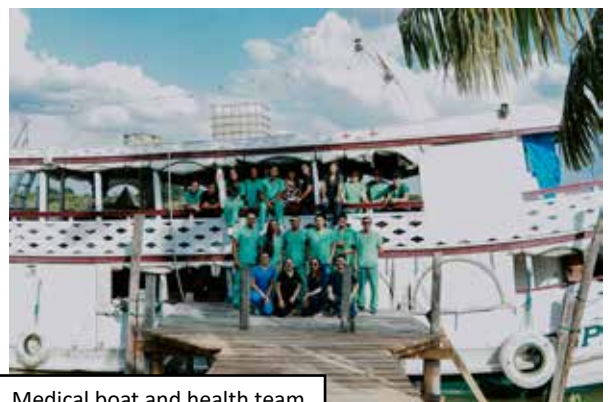

God has been doing wonderful things here these last months and we are thankful for the generous part you have been in all He is doing.

Children local to the new home

During this time of construction of the children's home, we have done what we could to care for some of the needy children in the areas where we are planting churches. We hold home meetings with Bible studies, weekly literacy classes, and frequent children's activities with Bible teaching, food, and games for the children. Please pray with us for these children to grow up to know Jesus as their Lord and Savior and for the Lord to protect them from the evil around them.

Another area where God is working is in our medical boat ministry along the river tributaries. During this last year we held monthly clinics at different locations along the rivers where we now have over 4,700 patients registered from 60 different communities. Eliane is our nurse on staff for the medical boat, but her teams include an average of 30+ volunteers who are doctors, med students, nurses, nursing

Medical boat and health team

students, dentists, dental students, physical therapists, nutritionists, and church workers and young people who

Beams raised for Childrens' Home

On November 6, 2024, we started the construction of the Vila Aviva Children's Home here in Brazil. It is planned to be a safe home for abused and neglected children along the Amazon tributaries in our state of Pará. The home will be built around a small courtyard with a boy's wing, a girl's wing, a kitchen and dining area, and a wing for offices, study and living space. The home is located in a small walled-in property of 9000 sq. ft. in the town of Bujaru. We were able to find a quality contractor and builder who will do most of the building for us.

Right now, we have finished moving in the fill dirt, laying the foundation beams, and pouring the columns and roof supports. Our next step will be the roof, floors, and raising the walls. We are so grateful for all of you who gave during the year of 2024 to make the start of this building possible. For those of you who would like to give towards completing the home, donations can be sent to the ACCF marked for Vila Aviva Children's Home. We are hoping to be able to finish the home and be ready to take in children in 2026.

help in every area they are needed. We are very thankful for the ACCMBC which has supported this ministry and made it possible for the last 4 years. Donations for the medical ministry can be sent to the ACCF marked for Medical Boat Ministry.

Prayer requests for Vila Aviva:

1. Funding to complete the children's home.
2. That God would prepare workers for the home - both staff and

Dental Work

volunteers.

3. That God would put in place judges, social workers, and lawyers who would have the wisdom and authority to choose the neediest children to be sent to the home.
4. That God would already be at work in the hearts of the children He has chosen for us to care for.

Prayer requests for Medical Boat Ministry:

1. Well trained captain and crew to operate our boat. We need a minimum of 4 crew members for each boat trip.
2. Safety for road and boat travel. (All our health workers need to go by car – a 1 to 3 hour drive to reach the boat for the clinics).
3. That God would touch the hearts of the patients through the love they receive and that each one would desire to follow Christ.

Love,

Scott and Michelle and Hope Ministries Team

# Ghana

Africa

Brief Report and Update from the FEMW in Ghana:

I am compelled to give glory to the Almighty for the overwhelming flow of grace and mercies towards us. I believe that the work of the Kingdom would be accelerated in this New Year to the best of our abilities and gifts to glorify His Name.

**Prayer and Financial Needs:** Our prayer and financial needs continue to be the growth and the strengthening of the old as well as the new churches in the areas of the maturity and spiritual growth of the people we are grooming and nurturing unto salvation, as well as the convenience and the appropriateness of the places of worship.

We also need prayers for the Cape Coast Church as they continue to gather the members so we don't lose both the church building (the church had been built on someone's private land, as is not uncommon in Ghana) AND the members in their present situation of an absence of a permanent place of worship.

**Good News:** We have finally received the building permit for the construction of the Pastors' residence. We received it just at the last week of the year, and so we shall begin the construction very soon.

(Editor's Note: this Pastors' House is a ministry for a retirement home for Pastors.)

*Although the fig tree shall not blossom, neither shall fruit be in the vines; the labor of the olive shall fail, and the fields shall yield no meat; the flock shall be cut off from the fold, and there shall be no herd in the stalls: yet I will rejoice in the LORD, I will joy in the God of my salvation. The LORD God is my strength...*

Habakkak:17-19a

# Mission Paraguay

South America

Today, I was reminded (at the end of Romans 8) of the steadfast Love of God. These are timely, encouraging and comforting words.

Some people in our ministry have been suffering through many trials and tribulations, loss, and even death. Difficult moments that only the Holy Spirit can heal. Even in the hard times, we are reminded that these things do not separate us from the love of God in Christ Jesus. Praise God!

As we progress into 2025, we are focused on themes of transformation and resilience. Our focus for this year,

San Antonio

including in our outreach efforts in Capiatá and Ypané, is inspired by the idea that we have the potential for growth and improvement even during challenging times. According to principles reflected in Ephesians 2:5-6, there is an emphasis on being alive with purpose, saved by grace, and elevated to heavenly places.

In Capiatá and Ypané, we are working with new leaders/

Ypané

pastors and forming teams to share the Gospel with family and friends. We have initiated an evangelistic project that begins with

prayer. Each individual will write down three names for whom we will pray for one month. The following month, we will be encouraged to witness to them and invite them to our small groups. The objective is to gain new members. If every member brings one person, we may see significant growth by June. Please join us in prayer.

We conduct monthly services in Capiatá while continuing to build our team. Additionally, there

is a dedicated group of young women who consistently teach children Biblical principles. In Ypané, we plan to commence construction soon to relocate the project to our property with adequate roofing. We are grateful for your donations to these initiatives.

Ypané

Thank you for being part of this ministry. Thanks for your donations, your letters of encouragement, and your prayers. We hope to see you summer 2025.

Oscar and Karen, Gabe and Hadassa

Oscar: [oscar.a.caballero.a@gmail.com](mailto:oscar.a.caballero.a@gmail.com)

Hadassa: [hadassadurante1995@gmail.com](mailto:hadassadurante1995@gmail.com)

Gabriel: [gabecaballero116@gmail.com](mailto:gabecaballero116@gmail.com)

Hello everyone, happy 2025! I'm excited to share how our year wrapped up and our plans for the new year.

## FAMILY UPDATES

2024 was an extraordinary year for us, starting with the delightful news that we were expecting a baby girl. That was a thrilling surprise for our family. Isadora was born on September 24th, bringing immense joy to our lives! Oliver is an exceptionally sweet big brother, always eager to give her hugs, kisses, and assist us in caring for her. Since Isadora's arrival, we've been adjusting our responsibilities and routines to embrace this new chapter in our lives. Even though our days are busier now, we couldn't be happier to welcome her into our world. She is truly a blessing from God to our family!

## ESCUELA DE VIDA – CITY OF SAN ANTONIO

Escuela de Vida is rooted in Biblical principles. We believe that by teaching children to reason through these principles, they will learn to act according to the Word of God and walk in obedience to fulfill His purpose in their lives. To achieve this goal, we not only teach through words but also provide opportunities for the children to experience these teachings in everything they do.

One such opportunity is our annual event, “The Olympics,” that happens during the last weeks of classes. Through sports and fun activities, all the children get a chance to put the principles they’ve learned into practice. It’s likely the most exciting event of the year for everyone involved!

The final month of the classes is also dedicated to practice and rehearsal for our grand closure, held for all the families. Each class, guided by their tutor, prepares a presentation. The students approach it with dedication and excellence, knowing that the family night event is an opportunity for their parents and family members to witness what they have learned throughout the year.

The end-of-year event is arguably the most important part of Escuela de Vida, as it’s a time for all of us to come together and celebrate everything that God has done for us throughout the year. This year’s theme was “ALABA” which means “PRAISE”. In our Bible Class, we studied the book of Psalms, and the presentations were a true moment of praise and worship, echoing the Bible’s words: "Let everything that has breath praise the Lord" (Psalms 150). It was also wonderful to see all the family members joining their kids and participating in that very special night, where all the glory was given to God.

We concluded the year with 76 students and 25 dedicated volunteers in San Antonio. It has been a year filled with growth, learning, and incredible moments of joy and community.

From our engaging classes to the highly anticipated annual events, each day brought new opportunities for the children to thrive and put into practice the principles we hold dear.

## ESCUELA DE VIDA – CITY OF YPANE

In the city of Ypane, classes at Escuela de Vida were held once a month. These sessions taught God's plan of salvation: from God's perfect creation, through our fall, to Jesus as our Savior. The children memorized Bible verses that corresponded to the lessons, and at the end they presented a lovely song incorporating all the Bible verses, and the skit to their family members and friends in the neighborhood. During the event, we were blessed with a generous donation from a Colombian

family who chose our project to provide end-of-year gifts to all the children and their families, including toys, clothes, and food.

We continue to pray for funds to build our new facility in Ypane. Currently, our meetings are held in an open yard. Bad weather often disrupts our gatherings, limiting our classes to once a month instead of once a week. We received a donation to purchase land and are now raising funds for construction, aiming to complete it this year. By next year, we hope to have classrooms ready to welcome the children and resume regular classes.

## Plans for 2025

We are excited to begin volunteer training, which will unite us in prayer and spirit as we prepare for God's plans this year. Training is mandatory for all volunteers and provides essential instruction to help us perform our responsibilities effectively. Classes will start the first week of March. We expect over 80 children in San Antonio and 50 students in Ypane, with a curriculum including Bible Reading, Principles and Values, Physical Education, Classical Literature, Arts, and Computer.

We look forward to the blessings and experiences God has in store for us and are committed to nurturing and guiding these young minds. It promises to be an amazing year!

## How to support Escuela de Vida

- Pray: Lift prayers for the missionaries, pastors, coordinators, volunteers, and especially the children and their families.
- Adopt-a-Student: Sponsor a child to be part of Escuela de Vida, where they will be nurtured in biblical principles. The cost is \$30 per month per child.
- School/Teaching Supplies: Contribute funds to purchase essential supplies such as colored pencils, construction paper, maps, whiteboards, markers, stickers, uniforms, Bibles, educational materials, art supplies, and more.
- Kitchen Materials and Snacks: Provide funds to acquire kitchen essentials like a stove, refrigerator, freezer, tables, plates, glasses, cutlery, pans, as well as food items including milk, juice, cookies, yogurt, fruits, bread, oil, rice, meat, vegetables, and more.
- Donate for Construction: Support the construction of the building structure for the Social Project in the city of Ypane.

If you want to learn more about us, you can:

- Follow us on Instagram: @proyectosocialedv
- Contact me personally for more details and information: hadassadurante1995@gmail.com

Thank you for all your prayers and support!

God bless you and your family.

Gabe and Hadassa, Oscar and Karen

# Canaan Land Ministries

Brazil

Greetings from CLM!

Thank you all for your continued prayer and financial support for CLM.

**Staff Situation:** At the last writing on November 1, we were fully staffed, with an ideal number of caregiver couples. In December, caregivers Gleibson and Vania ended their service at CLM, so we are once again looking for another couple. We currently have 15 children and teens under 18, plus a 19-year-old still living at CLM as she gets established and gains independence.

In November, former caregivers Claudio and Dani arrived to complete the office staff, where we had been short-staffed for several months. We are thankful for their contribution. Please pray for their continued adaptation.

As we were writing this article, social worker Haysa informed us that she has accepted a position at an organization closer to her home, with fewer hours, so she can focus on her studies. Please pray for God to send us the right person to take her place when she leaves next month.

**Moving On:** In November, Jessica\* (10) finally found her forever family. She had begun to lose hope that she would ever be adopted and was acting out, making it difficult for us to know how to help her. God had the solution all along, sending a well-prepared couple with lots of love and patience. Please pray for her and them as they continue adapting as a family.

In December, two teens, Matthew\* (17) and Michael\* (15) left. Matthew returned to his mother, but we heard in December that she passed away. Please pray for Matthew and his family with this difficult situation. Michael had repeatedly run away and had been through a drug and alcohol treatment program, but he kept running away to get alcohol again. This time, when he ran away and was found, he requested to be transferred back to his home city, so he didn't come back to CLM. Even though he is no longer with us, we pray that God would open his eyes and that he could be delivered from his addiction.

In January, Vanessa\* (12) returned to her grandparents, who

had raised her from a young age. We were thankful that we were able to find a stable solution for her so quickly.

\*Not their real names

**Arrivals:** In December, Janette\* (14) arrived, but she only stayed at CLM for a few days before doctors determined she needed to be sent to a specialized treatment program.

She was having hallucinations and suicidal thoughts. Please pray that when she returns, she will allow us to get to know her and minister in her life.

Alice\* (16) and Timothy\* (15) both returned from specialized treatment programs in the last few months. They are much more stable now than when they left, but they still need a lot of prayer. Please pray intensely for the CLM teens who struggle with mental health

and addictions.

**Visit from Dr. Chuck:** Dr. Chuck Misja made a visit to CLM in November to provide staff training and strategic planning. The staff was divided in two groups, with each group spending one day with Dr. Chuck in a retreat setting.

We greatly appreciate Dr. Chuck's commitment to ministering to the CLM team for the past 20+ years. The following video shows more: <https://tinyurl.com/zanjf7ax>

**Baptism:** On Sunday, November 24, baptism was held at CLM for two young men who have declared they want to live for the Lord. Willian (20), who spent much of his childhood and teenage years at CLM, testified of how God has transformed his life and continues to mold him and heal him from his past. (See picture of Willian with director Anderson Kasnocha). Mateus Jr. (12), son of caregivers Mateus and Rosangela, was raised in a Christian home and came to understand his need for salvation. He desires to serve the Lord for the

rest of his life. More pictures and video of the baptism day can be seen at <https://tinyurl.com/bp9m hv3p>

**Summer Break:** The CLM kids go back to school on February 5. They have been on summer vacation since about December 15. In December, we had our traditional outing to the pizzeria that donates pizza each year. The group picture was taken at a park after the pizza dinner. Christmas was also a highlight, with the children receiving plenty of gifts from generous donors in our region and the ACC churches in São Paulo.

In January, we had activities like a campfire and visits to the CLM waterfall. At the end of January, we were able to take the children to a water park, whose owners allowed us to use the park free of charge. The kids had an amazing day playing in the pools and on the waterslides.

**Financial Needs:** In recent years, it has been easier to find funding for specific projects than for recurring monthly needs. During the last two years, the amount needed to supplement CLM's monthly budget was supplied from the funds by the sale of the Turvo property. However, those funds are now nearly depleted, and we are back to relying on monthly donations from Brothers and Sisters in North America to supply that need. Please pray for more monthly supporters to help guarantee funding for ongoing activities at CLM.

In Christ,

The CLM Team

Thank you for your prayers and financial support for CLM. Please continue praying for the CLM

children and for each member of the CLM staff:

Caregivers: Cristiano & Thais, Mateus & Rosangela, Rogerio & Bianca, Marcos & Suzana

Internal Director: Anderson Kasnocha

Tech team: Altair (psychologist), Silvana and Haysa (social workers)

Support staff:

Bethany (educational and technical coordinator)

Rogerio (maintenance supervisor)

# Nepomuceno

Brazil

Dear Friends,

The end of the year was very busy for the Nepo Children's Home due to all of the holidays. The first special day they celebrated was Children's Day in October which always brings lots of visitors wanting to provide fun moments for the boys.

The visitors for the various Children's Day celebrations brought together the Nepo Children's Home and the Girls' Home from down the road. Our boys, Rafael and Gleysson enjoyed these special times to be with their sister who lives at the Girls' Home.

On the actual Children's Day, our boys were treated to ice cream, a circus, and dinner at the local pizzeria thanks to a specific donation for this day.

We received a very special visit in October when Jeff and Becky Hrubik came to the home. They were in Minas Gerais and stopped by for the day. It was a pleasure for us to meet them and hear a little about the history of the Nepo Children's Home.

One of our boys, Ytalo Venâncio, started visiting his mother and siblings. It is

clear that the Lord has been working in his mother's life. She brought Ytalo a Bible and said that she is attending church. She asked Ytalo for forgiveness for everything she did and said that she will work hard to have him back. This gives us hope that God will rebuild this family.

In October, we had a farewell lunch for Max and Letícia, the former directors who left the Nepo Children's Home at the end of the month. A time of recognition and tribute from the board and new directors was given to the couple for the time they served at the home.

In the month of December, the boys' summer vacation from school started and we enjoyed many celebrations

for Christmas. Our boys were very blessed with visitors and many gifts from the community this year and we are grateful for the love that was shown to them during this season.

On December 7th, our Christmas party "sacolinha" took place. We were blessed to have Annette Simon visiting us and help during this annual party.

We shared in a service of thanksgiving and wrapped up the morning with a delicious lunch.

Over the Christmas holiday, we had our tradition of opening the letters from the States and Canada. The boys get so excited to receive the colorful cards and special treats of gum, stickers, and dollar bills. We thank each of you who took the time, effort, and money to put together cards and sent them to our children. This annual tradition is truly a highlight for our kids and we appreciate you blessing them in this way!

New Year's Eve dinner was held at the church after the service. It was a very pleasant evening. We were able to worship our God, thanking Him for another year, and socialize with the Brothers and Sisters of the Church. On New Year's Day, we enjoyed our meals outside while cooling off in the pool.

In closing, we'd like to express our deep gratitude for your faithful prayers on behalf of this ministry, our children, and our staff. We also praise God for your generous and faithful financial contributions which help maintain the ministry here. May God bless you!

*Commit your work to the LORD, and your plans will be established. Proverbs 16:3*

In Him,

Helton and Katy Brandão for the Nepo Children's Home

### Recent staff changes:

In November, the ICFG committee elected Sis Olivia Kuzmanovic to be our next treasurer. She has been working with Sis Laura Reinhardt to learn her processes and will officially take over in the next couple of months.

In November, we also elected Sis Erika Isakov to replace Sis Daniela Greeninger as the Camp Memory Verse Contest Coordinator. They are also working together to make this transition seamless.

### Past events and workshops:

In December a small group, once again, went to Warm Beach Camp and were able to assist in serving during a couple of evenings of their Lights of Christmas show. In January we had our Southwest Workshop in Vista, CA. There were about 40 attendees. The theme for the year is "Unashamed" from Romans 1:16. Bro Caleb Lumsden and Bro Adam Smerek were the speakers for the study sessions. Sis Victoria Relgin coordinated a couple of activities incorporating sharing the gospel. For the

service project, we picked up trash at a local beach.

### Future events and workshops:

We would like to have a Spring Workshop in Richmond, VA, and are still coordinating with them for a date.

In August of 2025 we are planning an ICFG Retreat at Inspiration Hills in Ohio.

## Manos Pequeñas Long-term Missionary Opportunity

### Join the Little Hands Orphanage family

Glenn and Amara Bozic are returning to Canada, after serving for three years at the Manos Pequeñas Orphanage in Tecate, Mexico. With the new addition to their family, Darcy, they are moving back to be closer to their families in Kitchener and Windsor.

The call is going out for a believing couple and/or a single Sister to take their place- living and serving at Manos Pequeñas.

### Job Description

The new couple/Sister would be providing relief care for the other caregivers on their days off, taking care of the children from the other two houses on campus. This is a unique position, as you will get to know the children at the orphanage very well and see their growth first-hand.

We are looking for a 6-12 month (or longer) commitment. If you feel God leading you to work in this mission and would like more information, please contact Bro Thad Lumsden (if you are an American) or Bro Willie Ritzmann (if Canadian) at: [thad.lumsden@gmail.com](mailto:thad.lumsden@gmail.com) [willie.ritzmann@accmbc.org](mailto:willie.ritzmann@accmbc.org)

### Timeframe

Please contact us as soon as possible as the Bozic family plans to move back to Canada in February and we'd love to have someone in place before then
