# Elastic Christianity

BY ALICE CAMILLE

Organizer gizmos are all the rage. You can buy stackable cabinets that turn a closet or garage into a paragon of efficiency. Drop-in devices can keep your sock drawer in perfect rolled pairs so you never risk leaving the house wearing one argyle and one paisley. You can gain control of your possessions! You can get your material world in order!

We like order: pegs to hang things on, ways to make sense of the chaos around us. We like it in our thoughts, too: neat answers that solve the problem of living in a world that rarely makes sense. Sometimes this yearning to organize the chaos leads to simplistic thinking. In our desire to make sense of things, we organize the world in black-and-white terms that comfortably exclude nuance. We prefer clear categories of good and evil, safe and dangerous, friend and enemy, right and wrong. We look for the same cate-

gorical simplicity from religion. We like creedal formulas, catechisms, prayers to say when we're sick or scared, commandments that clearly spell out what's expected. None of these things are bad, really. We do need pegs to hang things on, truths we can trust. We do need foundational beliefs upon which we can build a coherent moral life.

But there's a difference between having a solid foundation for our faith and the trap of fundamentalism. We must respect the distinction between the tools that provide us with a theology-in-progress and an unyielding certainty about God and religion that admits no new information. We really didn't learn the truth, the whole truth, by the time we received Confirmation (or Ordination!). We really do need to be open to the Spirit's ongoing guidance of the church and the continued unfolding of our baptismal vocation into which we are each being invited more deeply each day.

God's people have always faced the tension between firm belief and attentive

listening to a prophetic new word being spoken in their generation. In Isaiah's time the prophetic proposal was that God wasn't committed simply to the salvation of one nation but to all nations and peoples. That was a staggering idea to a nation convinced they were God's darlings, God's holy people. They were, of course. But that didn't stand in the way of God having other children and calling others to the same holiness.

When Jesus was asked if only a few would be saved, the question betrayed the answer anticipated. Jesus refuses to put a number on the saved or erect a fence around the possibility of salvation. Jesus does say the gate is narrow—but anyone and everyone are welcome to walk through it. God isn't putting restrictions on salvation. It's ours to choose.

## CATHOLIC Q&A

### QUESTION

What is the difference between a basilica and a cathedral?

### ANSWER

Basilicas are churches that are so titled because of their antiquity, dignity, historical importance, or significance as centers of worship. A cathedral is the principal church of a diocese, which contains the chair of the bishop, or “cathedra” in Latin. The chair is the symbol of the bishop’s teaching authority. Mission San Diego was designated a basilica in 1976.

## SOCIAL ACTION COMMITTEE

With increasing prices and cutbacks from governmental sources for the funding of food pantries, a crisis is growing. Our neighbor, the Stella Apartments, and the food bank at Holy Family Parish in Linda Vista are having difficulty keeping food on their shelves. Your generosity in bringing a couple cans of soup, chili or other non-perishable foods to church on the weekend of the first Sunday of the month (**Sept 6-7**) helps greatly. Coin donations go to Stella Apartments Housing for Homeless.

## WEDDING COORDINATOR MINISTRY

If you are looking for a volunteer opportunity, becoming a wedding coordinator might be the perfect ministry for you. Responsibilities include working with the bride and groom regarding their wedding rehearsal and liturgy. For info, contact Jojo Randle at [jrandle@missionsandiego.org](mailto:jrandle@missionsandiego.org).

## CHILD AND YOUTH PROTECTION

Complaints about sexual abuse by a member of the clergy, parish employee, or volunteer can be made by calling (858) 490-8353 or by sending an email to [misconduct@sdcatholic.org](mailto:misconduct@sdcatholic.org). Go to [safeinourdiocese.org](https://safeinourdiocese.org) to read about efforts in the Diocese of San Diego to protect children, assist victims, and promote healing.

## BABY CLOTHES NEEDED

Birthline is in need of clothing for children, women’s clothes, maternity clothes, baby food and pacifiers. Items can be brought to the Mission on the first weekend of every month. For more info, call Birthline at (858) 270-2491.

## GUIDELINE FOR THE RECEPTION OF COMMUNION

*On November 14, 1996, the National Conference of Catholic Bishops approved the following guidelines on the reception of Communion. These guidelines replace the guidelines approved by the Administrative Committee of the NCCB in November 1986. The guidelines, which are to be included in missalettes and other participation aids published in the United States, seek to remind all those who may attend Catholic liturgies of the present discipline of the Church with regard to the sharing of Eucharistic Communion.*

### For Catholics

As Catholics, we fully participate in the celebration of the Eucharist when we receive Holy Communion. We are encouraged to receive Communion devoutly and frequently. In order to be properly disposed to receive Communion, participants should not be conscious of grave sin and normally should have fasted for one hour. A person who is conscious of grave sin is not to receive the Body and Blood of the Lord without prior sacramental confession except for a grave reason where there is no opportunity for confession. In this case, the person is to be mindful of the obligation to make an act of perfect contrition, including the intention of confessing as soon as possible (canon 916). A frequent reception of the Sacrament of Penance is encouraged for all.

### For our fellow Christians

We welcome our fellow Christians to this celebration of the Eucharist as our brothers and sisters. We pray that our common baptism and the action of the Holy Spirit in this Eucharist will draw us closer to one another and begin to dispel the sad divisions which separate us. We pray that these will lessen and finally disappear, in keeping with Christ's prayer for us "that they may all be one" (Jn 17:21).

Because Catholics believe that the celebration of the Eucharist is a sign of the reality of the oneness of faith, life, and worship, members of those churches with whom we are not yet fully united are ordinarily not admitted to Holy Communion. Eucharistic sharing in exceptional circumstances by other Christians requires permission ac-

cording to the directives of the diocesan bishop and the provisions of canon law (canon 844 §4). Members of the Orthodox Churches, the Assyrian Church of the East, and the Polish National Catholic Church are urged to respect the discipline of their own Churches. According to Roman Catholic discipline, the Code of Canon Law does not object to the reception of Communion by Christians of these Churches (canon 844 §3).

### For those not receiving Holy Communion

All who are not receiving Holy Communion are encouraged to express in their hearts a prayerful desire for unity with the Lord Jesus and with one another.

### For non-Christians

We also welcome to this celebration those who do not share our faith in Jesus Christ. While we cannot admit them to Holy Communion, we ask them to offer their prayers for the peace and the unity of the human family.
