The lady with the cap on is from the Garden club and she came to present a cheque to the GFB for the program.. We are very grateful.

These were the afternoon volunteers - another whole gang did the morning sorting and we forgot to take pictures then.

There is an excellent group of volunteers who bring the produce from Vernon, sort the produce (4 tons in December) into the individual bins in the morning: and then assist all of the people who come to select their bins in the afternoon.

www.goodfoodbox.ca. Instructions there will tell you how to pay online. or if you don't do financial things online you can pay at the Gathering Grounds thrift shop.

A large box is $20. and a small box is $12.
