Pastoral Care

Compassion

Even more important than the warmth and affection we receive, is the warmth and affection we give. It is by giving warmth and affection, by having a genuine sense of concern for others, in other words through compassion, that we gain the conditions for genuine happiness.

— Dalai Lama

The Pastoral Care Team continues to respond to requests through the ZUC and St AUC offices and from individuals. Please keep the team informed as to needs within our congregations; concerns such as visits, cards, phone calls, transportation to services/appointments etc
