On behalf of me and my family I would like to thank all who helped with the Celebration of Life for my husband Cees.

We thrive today thinking of the vibrancy of that Celebration. Many in attendance were also very impressed with Zion's minister Hatti. They asked questions: Is he here every Sunday? Questions from church goers and non-church goers. My daughter said: I would almost go to church.

The responses are something for Zion to think about a bit further perhaps. What can we as a congregation do to make the church service a small event every Sunday. People already know Hatti. What talents can enhance the church experience, I wonder. Just some thoughts.

In loving memory,
 Hanny
