Zion Website has been updated and has a new name armstrongunited.ca

Just before the Ministry Personnel Search (MPS) Committee began searching for a Minister, Zion Council realized that the church website was out of date and would not present an accurate picture to prospective applicants. At that time Catherine MacAskill and Leona Harrison were asked to work on updating it.

With the generous help of Don Seaton, Webmaster at Trinity Vernon, the site has been edited to remove outdated information, and add in new activities. In addition, the Messenger is being uploaded to provide easy access to the most current activities and information.

The website now also has a new domain name: armstrongunited.ca

You are invited to key in the new name armstrongunited.ca and take a look.
