## PASTORAL CARE (St AUC & ZUC)

## IPE windup meeting

On Sept 27th, 10 enthusiastic members of Zion met to debrief and discuss our participation in this year's IPE.

This was our 1st fair with only the concession trailer (no dining hall). Compared to previous years there was less work overall, however there were still some individuals who put in long days and felt quite exhausted by the end of the IPE.

The Gross income was over \$20,000 with a net of approximately \$7,500.

The general consensus was that, although we were a little disappointed in the net income, we will probably do it again next year. We are planning to address the areas where our key people were overworked and ways that we can increase the net profit. We plan to meet in February to kick-off IPE 2023.

Rod.

The ministry of pastoral care is a compassionate presence, as modelled by Jesus Christ, especially for those who are hurting or in need.
