How do I make offerings to Zion United?

We have three different donation methods to choose from:

1. Offering Envelopes
2. PreAuthorized Remittance (PAR)
3. Etransfer to

zionunitedarmstrongbc@gmail.com

Please note correct email address

The PreAuthorized Remittance Program (PAR) takes an online donation from your account and transfers it to the church account on the 20th day of each month.

For both Offering Envelopes and PAR there are applications on the table at the back of the church.

For further information about any of the three methods or to change to a different method, contact Leona Harrison 250-546-2728 or hleona6@gmail.com. Thank you for your continuing support.

New Directions for Zion Choir

"Choir" is going to branch out in a few new directions this year! Here are some thoughts from a recent Music Team meeting:

1 - We want to develop an **acappella** (i.e., **unaccompanied**), **off-paper** (i.e., **music will be memorised**) **small ensemble**, **open to people both from Zion and beyond**. **It will be outreach oriented**. The goal is to learn and sing a repertoire of uplifting, positive-message music: songs, hymns, anthems, chants, canons, etc., with themes of love, peace, compassion, social justice, connection to one another, caring for each other, and caring for the earth we inhabit. This small ensemble will work at building ensemble singing skills, and will aim to sing at community and/or church events, as well as present occasional Gifts of Music.

Email or text Joey to get involved!

joey.minshall@gmail.com or 250 803 1754

need to memorise, supported by piano accompaniment, similar to how "choir" has operated in the past. This will be more casual than the acappella/off paper ensemble, with less rehearsal time, focused on supporting the congregation when learning music from the new hymnal Then Let Us Sing, and other sources.

Please let Joey know if you want to participate!

joey.minshall@gmail.com or 250 803 1754

3 - We want to encourage **anyone who'd like to sing Christmas carols in small groups**, casually, informally, during **Armstrong Light Up** when Zion has Open House on **Friday, November 22th**. Please let Joey know asap that you are interested, and we'll work out rehearsal times as we get closer, probably beginning mid-October after Thanksgiving.

Pastoral Care is a ministry that provides support and guidance to people who are going through challenging times.

Please contact Lorraine Powell (250-838-7908) or Wilma Koersen (250-546-6463 / 780-933-9732) if assistance is needed.

2 - We want to encourage a group of **regular Zion-attending folks who would enjoy learning the melody of new hymns for church services**, no

Adele and her daughter Crystal, supported by sister Sherri spoke about the residential schools and how it affected them still today.

Hati led the service, singing a song in his native tongue, after which Crystal became inspired to sing a song in her language and used the indigenous drum that was on display.

"All are invited to the table" said Hati , pointing at a wider meaning.

Extra Hands

What is it?

A volunteer handyman/handywoman program.

Supporting people with minor home maintenance tasks. **Providing an extra hand.**

For example – changing a light bulb, hanging a lamp, hanging a picture on the wall, minor repair. Or help with administrative tasks, filling in a form or sewing on a button.

All of us have certain special gifts or qualities to “give away”.

Being meaningful for yourself and others, and at the same time bringing people together.

A database of people, forming a small network of support for each other by giving help or receiving help. Thus building towards a better life for all.

Together we will be able to make a difference. Offering or receiving help with small or even slightly bigger practical things.

A special way to contribute to our church community and beyond.

Meant to help make people’s daily life a little easier and at the same time more meaningful. All people involved becoming enriched, both the giver and the receiver. Makes access to help just one phone call away. Time and place to be determined by mutual agreement.
