Zion float in the IPE, August 31st, 2024

## Thanks everyone for helping out last Saturday

Our float builders did a wonderful job. A special thanks to those that were riders on the float. Also thanks to Cliff and Sharon for the wagon and of course Jack for the tractor and driver. It was nice to see some of our congregation and some visitors as well enjoying the hall. Lots of coffee and food and good chat was enjoyed by all. Thanks for the helpers there as well.

Keep tuned for the next celebration event.

**What a day full of sunshine and happy faces ....**

.....as we rode on the float in the IPE parade. We'd had such a wonderful turnout for the work-party – including help from St. Andrews - and we ended up with such an exhibit, the 16 ft. trailer almost wasn't big enough!

A huge thankyou to Jack Noble as the first real eye-catcher was his fully restored antique Case tractor which pulled the float through the parade route. As our banners displayed our celebration with the United Church of Canada going into it's 100<sup>th</sup> year, we also had posters marking the multiple community activities that are centered around Zion United here in Armstrong – Good Food Box, the Book Nook, the Break-away program, Men's breakfast, St Patricks suppers, Strawberry Socials, Acoustic Coffee Houses, etc.

We often got generous applause from the parade watchers as they acknowledged us as part of their community. One little boy saw the little church ornament that Mona Ball had made several years ago and it "clicked" with him that the decoration was the same as the church they were standing near! Without doubt the biggest reactions we heard were \*multiple\* squeals of excitement as kids recognized Camp McKenzie. It's obvious that this camp has a huge impact on the families that have had kids attend, and that it leaves a life-long impression on those youth. What a wonderful outreach our churches provide to our local kids.

Many thanks to all who came out to share ideas and help create our parade float, to those who always seem to be contributing by putting on the coffee and goodies, and to all who are in any way involved with the multiple activities that contribute to making this church family significant in our community. You're the best!
