

# RecipeTree: Select, Shape & Preserve Your Recipes!

## What RecipeTree Can Do for You

- **Enhance** dining offerings through our recipe collections & recipe database.
- **Protect** access to your recipes regardless of staffing, management, ownership or vendor changes.
- **Ensure Safety** through allergen identification, HACCP/CCP safety steps & IDDSI recipes.
- **Provide guidelines** for Therapeutic, IDDSI Texture Modified & Finger Food Diets.

## Added Benefits of Subscription Services

- **Customize** your database by editing existing recipes & adding your own through import tools.
- **Save time** using extensive search filters to expedite finding recipes.
- **Control food cost** with recipe scaling to exact production.
- **Educate** through additional resources available only in our subscriber portal.
- **Avoid** pop up ads & interruptions from recipe sites.

## Who We Serve

- **Facilities and communities:** senior living, adult day care, disability & special needs, home healthcare...
- **Professionals:** chefs, Registered Dietitian Nutritionists, Certified Dietary Managers, Speech Language Pathologists, foodservice professionals...
- **Individuals:** seniors with food preparation support...
- **Business to Business:** our recipe database can increase your business offerings to support your end customers
