WHO WE ARE

# More than a landlord. A partner.

As an operator of logistics properties on five continents, we have an unmatched perspective on what sits at the crossroads of innovation and distribution. It's this insight that gives us the ability to deliver time and again hubs of commerce that connect people and goods sustainably and efficiently.

74M+

square feet of logistics space

550+

warehouse, distribution and cold storage properties

90M+

square foot development pipeline

### Tailored to your needs

No matter your requirements, we build to the highest standards, delivering novel, efficiency-focused solutions

### The Brookfield advantage

Our Brookfield global network offers a wealth of advantages – from investments in emerging technologies to sustainable solutions and infrastructure synergies.

### Making sustainability a reality

Sustainability isn't just a buzzword. It's a commitment to be carbon neutral by 2050 advanced by a breadth of initiatives including LEED-certified design, solar-ready roofs, and low carbon building materials.

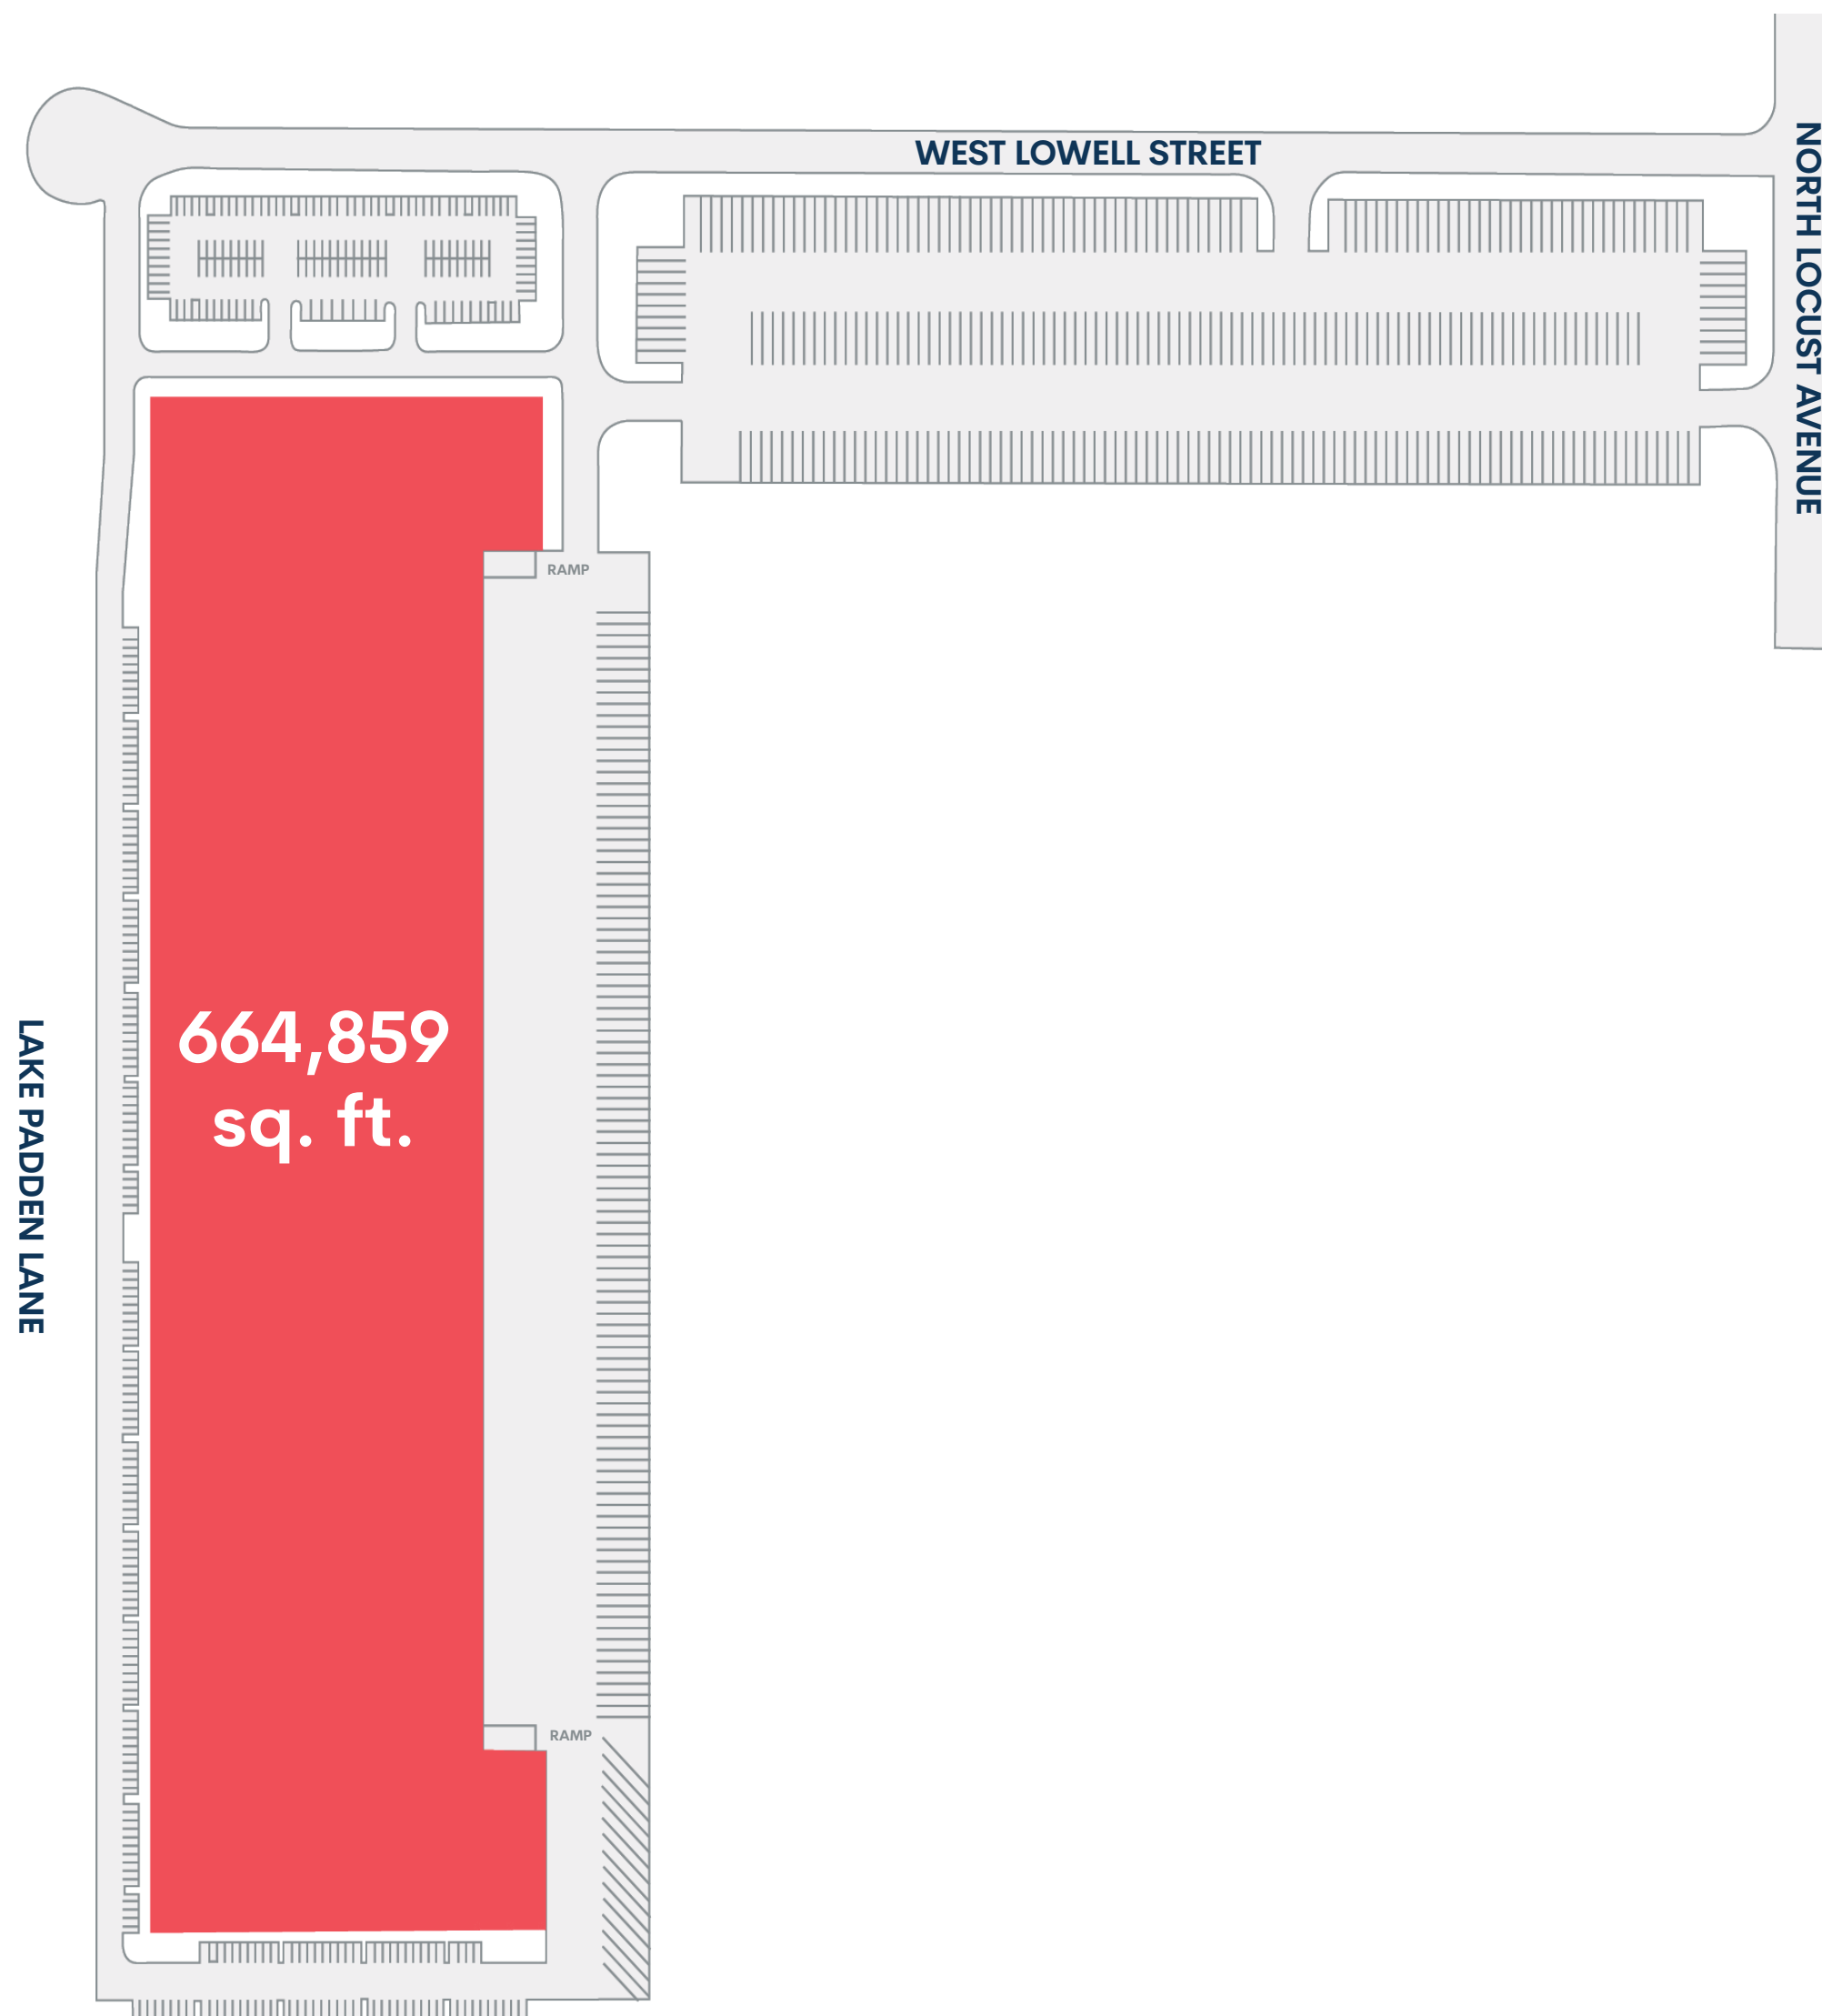

### Culture of innovation

We foster a culture of innovation to identify and implement technologies that continuously improve our facilities – with a focus on efficiency and safety.

# Innovation that benefits operators

We are shaping the future of global trade with properties optimized for efficiency and designed to enhance the safety of anyone working on or in them. In doing so, our tenants benefit from:

- Up to 75% reduction in utility costs from energy-efficient design features  
LED lights, robust insulation, and white roof technology
- Electric vehicle charging stations
- Safer vertical access design to lower the risk of severe injury from falls
- Clerestory windows optimizing natural light, creating a healthier working environment

**100% LEED**

Certified or higher on new development

**Up to 75%**

Reduction in utility costs due to efficient design

**Net Zero by 2050**

Brookfield Properties's commitment to carbon emissions reduction

**Sustainability**
