SKILLFULLY CRAFTED STONE VENEER

2016  
[www.jnstone.com](http://www.jnstone.com)

J&N Stone, Inc. entered into the manufactured stone industry in 1973 as a family business. Our goal then, and still today, is to manufacture and install precast stone veneer with the utmost quality and care. We strive to make sure every customer is satisfied with the beauty and craftsmanship of our manufactured stone products. For over forty years we have specialized in creating stone veneer products that are consistent in color, long with-standing and astoundingly realistic. Enhance your home with the beauty of stone for a fraction of the cost of natural stone by choosing our skillfully crafted stone veneer.

# ASHLAR

---

Finely dressed lines and natural color palettes give Ashlar a warm and traditional appearance. Each tightly stacked stone was precisely hand-chiseled to create this rectangular style. Ashlar is a timeless style that will add elegance to any application.

# CUT COBBLESTONE

---

Mirroring the ageless appearance of hand carved stone, Cut Cobblestone has a beautiful profile. It combines rectangular shapes and irregular sizes with rough cut edges for an old world look and feel. Cut Cobblestone is a style that will bring beauty and class to any home or project.

# FIELDSTONE

---

As the name describes, Fieldstone was created using natural stones collected from the fields of Indiana. Fieldstone has rounded edges, smooth surfaces and a random pattern. Its natural look and character make an impression wherever it is applied.

# HANDSPLIT

---

Mimicking a natural stone that has been split to show the inner beauty and color, Handsplit has an incomparable look all its own. Large round stones with a split face texture make up this stunning free-form pattern. Handsplit would be an excellent choice for a lake cottage or log cabin home.

# LAYTITE

---

Laytite continues to be one of the most popular styles throughout the world. It offers a layered linear look which overall creates depth and dimension. With grout lines being less apparent, Laytite gives the impression of a clean balanced design. This stone pattern is a beautiful choice for any contemporary, craftsman, or modern style project.
