The dramatic setting of Table Mountain offers a unique & perfect setting for you to say your vows to each other. Our package includes all the necessary arrangements with Table Mountain such as venue booking, cableway tickets & set-up. Depending on your number of guests we will make recommendations with regards to the area of use as well as any catering requirements. We will notify you of the cableway running times, and ensure a contingency plan in place should the cableway station close due to increment weather. Suggested times for Table Mountain Ceremonies are either early morning for sunrise, or a sunset ceremony. This light is always best for the best photography.
