Total Due:

Cemetery makes no guarantee for any decorations placed on graves. If decorations disappear from a grave for any reason, they will not be replaced by the cemetery.

Real wreaths are made locally by hand and delivered to us usually the week after Thanksgiving. Once we received, we place them as quickly as we can. Please understand we do not control delivery of these wreaths and can not promise when they will be placed.

All decorations remaining on graves will be removed and discarded on March 1 and November 1. Please remove any decorations you want to keep before these dates.

Please mail check to address above or pay via Zelle to mtozion@gmail.com (note: this email is for payments only. Please do not send correspondence here as this account is not monitored for communication)
