LIMITLESS COMMUNITY DEVELOPMENT

Carnaval del Barrio 2025

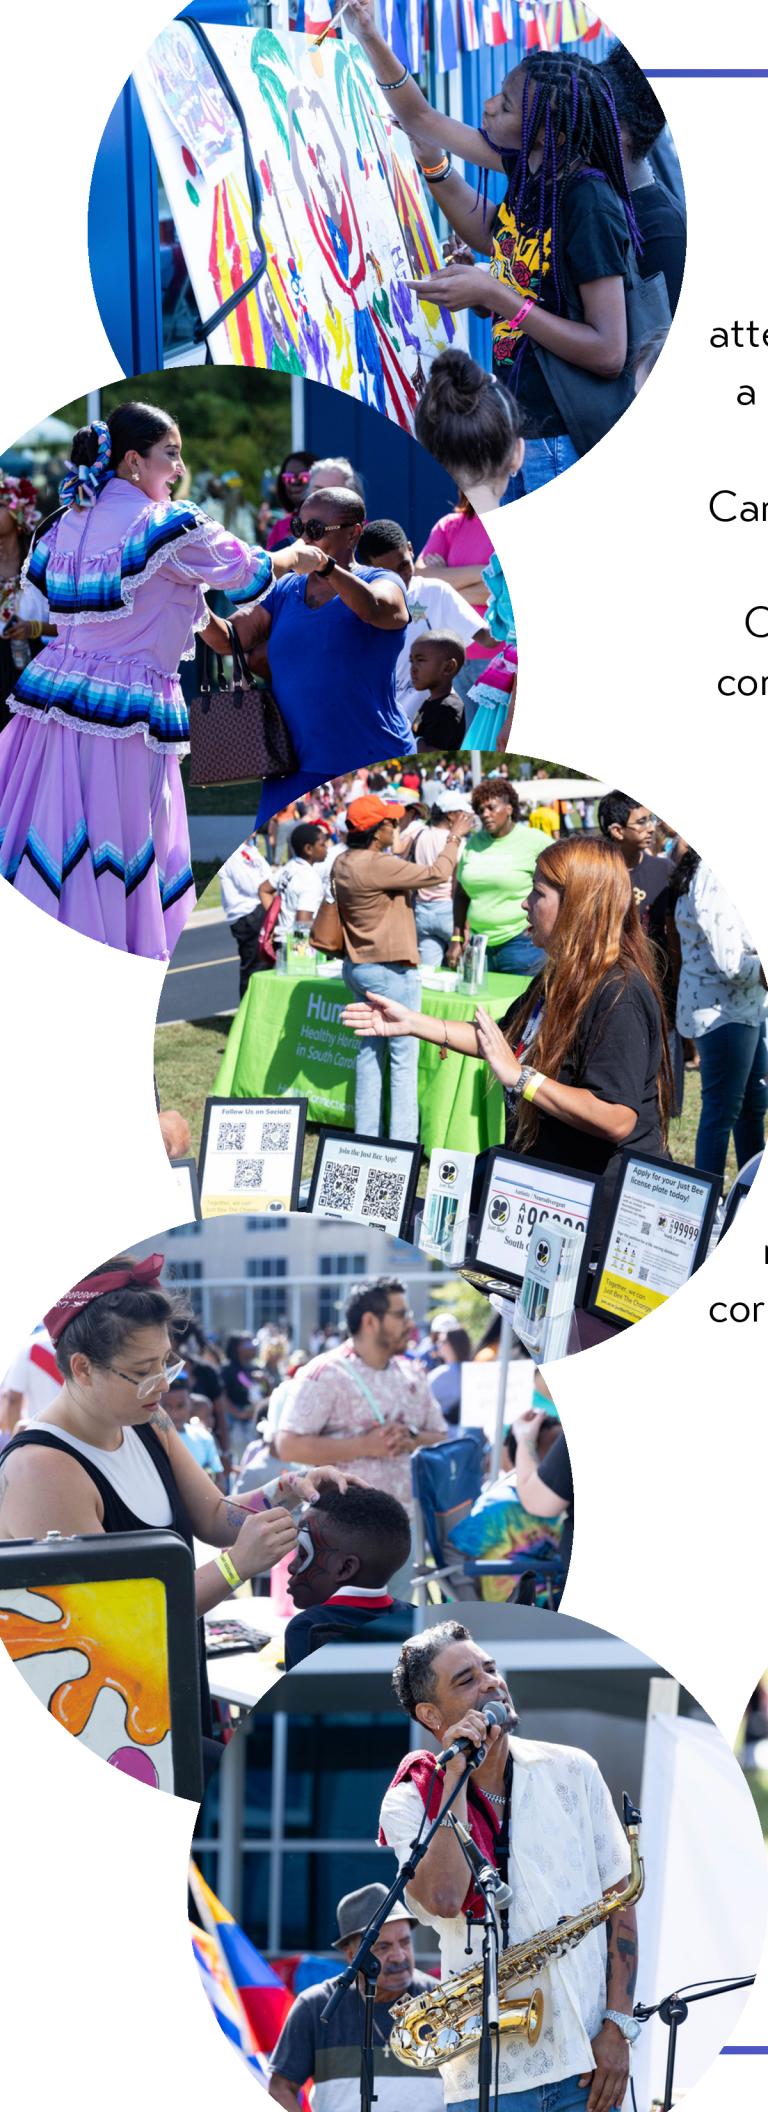

ABOUT THE FESTIVAL

A Celebration of Culture, Community, & Connection
Columbia, South Carolina

Carnaval del Barrio held annually in October, is one of Columbia's most vibrant and anticipated cultural celebrations; bringing together families, local businesses, artists, community resources, and community leaders for a day rooted in tradition, joy, and unity.

As the event continues to grow each year, Carnaval del Barrio has become more than a festival, it is a platform that uplifts culture, supports local economies, and creates meaningful connections across the Midlands.

It's a day to connect, to learn, and to honor the rich diversity that strengthens our neighborhoods. From bold flavors to live music and immersive experiences, the festival draws people in and leaves them feeling part of something bigger.

Our Audience

For the past few years, we have averaged between 2,500 to 4,000 attendees. Carnaval del Barrio attracts a diverse, multigenerational audience that reflects the heart of South Carolina. 90% of our audience attends as a family, typically 4 or more.

Our attendees are not only local, but come from all over the State — making Carnaval del Barrio a powerful opportunity for brands looking to expand their reach and provides valuable promotional and on-site exposure to all demographics.
