

DelMarVA Football Officials Association

Serving Kent and Sussex County Schools

Scholarship Committee

To: All Coaches, Athletic Directors and Guidance Counselors in Kent and Sussex County

The DelMarVA Football Officials Association (DFOA) awards one \$750 scholarship annually to an athlete who participates in football.

The DFOA scholarship committee invites each school to nominate eligible athletes for the award.

Nominees must be Kent and Sussex County athletes who participate in high school football to include equipment managers, trainers and other individuals who make the football program better. The individual must exemplify the virtues of athletic competition and scholastic achievement to be worthy of consideration.

Using the guidelines listed below, each nomination needs to be sent to the selection committee accompanied by a statement identifying why your nominee is worthy of the award.

- ❖ The Athlete goes beyond the norm to promote good sportsmanship.
- ❖ The athlete has established him/herself as a role model for the team and school environment.
- ❖ The athlete carries a minimum of 2.75 GPA.

This award is not necessarily for the best athlete but for one that exemplifies the true spirit of sportsmanship.

Nominations must be received by the end of the calendar year. Scholarship funds will be made payable to the awardee's college or university of choice.
