## Reserve Jarman Pinot Noir

### TASTING NOTES

The 2022 Reserve Jarman Pinot Noir is our premiere selection of Pinot Noir clones, embodying the key characteristics of Holman Ranch's terroir. This youthful wine has a restrained bouquet with notes of blueberry and blackberry that will continue to unfold as this wine opens. 100% New French Oak lends notes of black licorice and vanilla bean, offering a structured middle palate. Firm tannin accompany acidity, and suggests youth and elegance on a wine that will surely age for years to come.

### THE VINTAGE

The 2022 vintage tested the fortitude and maturity of the vineyard. The 2021/2022 winter was a classic case of boom and bust as early season torrential rain gave way to a remarkably uneventful midwinter. Moderate late season rains gave hope but ultimately did little to replenish precious groundwater reserves. Bud-break occurred slightly ahead of schedule and the plants progressed through the early growing season and into set without issue. Frigid early season temperatures and turbulence in the weather combined with water stress caused the plants to set a very light crop. The decreased fruit load on the vines led to a very early start to harvest on August 15<sup>th</sup>, with the picking of the 2022 sparkling wine grapes. In the cellar the wines repaid the efforts by giving fresh and vibrant flavors with just a touch of opulence. The 2022 Holman Ranch wines show the consistency and integrity of a vineyard that was able to thrive in one of the most challenging years yet.

### THE VINEYARD

We make a range of wines which demonstrate the unique characteristics of our soil and climate. We take great care from the beginning to the end of production. Our rootstocks and California / Dijon clones are carefully selected. We employ organic and sustainable farming practices, avoiding any pesticides or herbicides. Ultimately, Holman Ranch wines reflect a balance and a complexity, which set them apart.
