

## BWBP CLT Ltd Achievements 2024 - 2025

This year he has been pivotal in developing position papers, reviewing the MOU and maintaining our commitment to the Wellbeing hub vision. We have attended numerous meetings, written and developed lots of our documents and committed a tremendous amount of valuable time in supporting the Bronllys Well Being Park CLT Ltd.

There have been four position papers that have aided our ongoing development and which have already and hopefully will continue to provide more solutions for our future progress.

We delivered our 3rd excellent Health & Wellbeing Forum event which was extremely well supported and provided the local community the opportunity to voice their thoughts, ask questions and again note their aspirations, needs and wishes. This included the Powys Teaching Health Board CEO Hayley Thomas and our MP David Chadwick.

Regular meetings have taken place with the Health Board including the CEO and a revised MOU was signed together with Powys County Council. Our relationship with the Health Board has been much improved since the change of leadership.

It is evident significant developments are underway in collaboration with the Health Board. Key highlights include:

1. **\*The Chapel Restoration\*:** Plans to refurbish the Grade II listed chapel are set to begin in 2026, following the appointment of AHR Architects. Community groups will be invited to contribute to the restoration efforts.
2. **\*The Measured Mile Walk\*:** The park is also focusing on promoting health through initiatives like the "Measured Mile," which encourages walking and physical activity in the community. I will be leading a historical walk around the Bronllys site as part of the Walkers are Welcome event in May 2026.

These projects reflect a commitment to enhancing community well-being and preserving local heritage. For ongoing updates, we will continue to share information on these initiatives.

## Merry Christmas & Happy New Year

Merry Christmas,

I want to express my gratitude for your support throughout the year.  
Your commitment to Bronllys Wellbeing Park remains invaluable.

This Christmas, let us take pride in our achievements and the positive influence we've made together. May this season bring you joy and peace.

Wishing you and your families a wonderful holiday and I look forward to our continued collaboration in the coming year ahead.

Warmest wishes, from  
Bronllys Well Being Park Board Members

We are always available if you want to get in touch, our details are on the website
