PRESIDENT'S MESSAGE 2026

The Swan Hill Show has always held a special place in our community, and it is an honor to step into the role of President for such a treasured local event. Our Show is built on connection — families, farmers, exhibitors,

schools, volunteers, local businesses, and visitors all coming together to celebrate the heart of our region.

As President, my vision is clear: to continue strengthening the Show's sense of community while growing it into an even more vibrant, inclusive, and exciting event for all ages. We are committed to creating an experience that showcases our agricultural heritage, encourages innovation, supports local talent, and brings joy to every person who walks through the gates.

None of this would be possible without the incredible support we receive each year. To our sponsors — thank you for believing in the Show and investing in our community's future. Your generosity allows us to bring bigger attractions, improve our facilities, and give our region an event to be proud of. To our amazing volunteers, thank you for the hours you give, the passion you bring, and the pride you take in making everything run smoothly. The Show simply doesn't happen without you.

This year, we are focused on continuing to improve the layout, enhance the Kids Zone, expand our market area, elevate entertainment options, and further streamline operations for exhibitors and competitors. We are also dedicating more time to planning, growing sponsorship opportunities, and introducing fresh ideas that will help the Show evolve while still honoring its traditions.

I am excited for what lies ahead and grateful to work alongside such a dedicated committee and supportive community. Together, we will deliver a Show that celebrates who we are — resilient, welcoming, creative, and proudly regional.

I look forward to seeing you at the 2026 Swan Hill Show.

Warm regards,
Leah Matarazzo

|----------------------------|----------------------------|--------------------------|
| • 1 cup Quick Oats | • 125gm Butter | • 2 tbsp Boiling Water |
| • 1 cup Sugar | • 1 cup Desiccated Coconut | • 1 tsp Bicarbonate Soda |
| • 1 cup Self-Raising Flour | • 1 tbsp Golden Syrup | |

Method:

1. Mix all the above dry ingredients in bowl, melt together butter, golden syrup, then add bicarb soda which has been dissolved in the boiling water.
2. Add to dry ingredients and mix well to a firm consistency.
3. Place 17gms of mixture (a tsp full) on well-greased baking tray (or baking paper lined), leaving room to spread.
4. Bake in a moderate oven until brown. Cool on tray.

Note - Roll mixture into balls before placing on tray - makes neat round shape biscuits for the Show Bench.

NDAS Mud Cake Uniced - Only this recipe to be used.

Ingredients

- | | | |
|--|--|--|
| • 250g Unsalted Butter, roughly chopped | • 1½ cups (375ml) Milk | • 1½ cups (225g) Self-Raising Flour |
| • 1 cup (240g) Castor Sugar | • 1 cup (220g) Brown Sugar, packed | • ½ tsp (2.5g) Salt |
| • 200g Milk Chocolate Block, roughly chopped | • 3 Eggs, approx. 55g each | • ½ cup (50g) Unsweetened Cocoa Powder |
| | • 1 tbsp (20ml) Vanilla Essence or 2tsp (10ml) Vanilla Extract | |

1. Preheat the oven to 150C/300F (fan/convection) or 160C/320F (standard).
2. Grease and line a 20cm Round cake tin (NO spring tins to be used). The cake rises very high when baking, so make sure that the baking paper rises at least 6cm above the top of the tin.

3. Place chopped butter and chocolate in a large heat-proof bowl. Microwave for 1 minute on high power. Stir. Microwave for another 30 seconds.
4. Stir until the chocolate is completely smooth and melted. Microwave in further 10 second bursts, if needed, to completely melt the chocolate.
5. Add sugar. Stir well. Add milk, eggs and vanilla. Stir until well combined.
6. Sift flour, cocoa powder and salt. Stir until the batter is well combined.
7. Pour into the prepared tin.
8. Bake 80-90 minutes or until skewer inserted in the middle of cake comes out with only a few moist crumbs clinging to it.
9. Avoid opening the oven door during cooking as much as possible or the cake will sink in the middle.
10. Allow it to cool for 20 mins in the tin, then cover it with baking paper and turn tin upside down on wire cooling rack for about 30 mins (this will help flatten the top of the cake), then tip tin (and cake) upright again and leave cake in tin to cool completely.

Chocolate Cake:

- For a fine soft mixture, blend cocoa with a little warm water and cool before adding.
- Add vanilla at the creaming butter and sugar stage. This applies for all butter cake mixtures. This will enable you to get the full flavour and aroma throughout the cake.

Boiled Fruit Cake:

- Fruit well mixed in.
- Should have a nice shiny surface.
- No cracks.
- No soggy ce.

Plain Scones:

- Dainty 5cm round.
- Uniform in shape and colouring.
- Free from excess flour, particularly the base.
- Texture light and fluffy when opened.

Plain Patty cakes, 4cm:

- Moist fine texture.
- Peak to rise above paper.
- If oven is not hot enough, they will spread rather than rise.

Sponge Sandwich:

- Two layers of identical thickness and colour.
- Must be from the same mixture.

Biscuits:

- Daintiness of size and shape, uniform size.
- Where distinct varieties are called for, separate mixtures must be used.
- Should be crisp i.e. snap in half cleanly.

Cooked Slices:

- Dainty even shapes.
- Do not exhibit the outside crusty pieces.
- If weeping, sign of over cooking.

Rich Fruit Cake:

- Add essence with butter and sugar.
- Bake at least 3 weeks before exhibiting. This allows cake to get full bloom and aroma.
- All Fruit and nuts should be similar size.
- Slow oven, 130-150 degrees Celsius

Rum Balls:

- To get the rum balls an even size, weigh them.

Muffins: Muffins must be cooked in paper cases.

- Rack marks should NOT be seen on cakes. To ensure this place a tea towel on the rack before turning cake onto it.
