### SwipeSimple Register

Easy to use POS with cash drawer for  
higher-volume businesses

# The best way to accept payments in your store.

With SwipeSimple, you can accept EMV, contactless, and magnetic stripe payments with easy-to-use software with advanced features:

- Item Catalog with real-time cloud sync
- Customizable “favorites” pages, tip settings, and more for faster checkout
- Send receipts via SMS or email

## SwipeSimple Terminal

Sleek and modern all-in-one payment acceptance solution for small businesses.

- Compact, rugged form factor
- Large color touch screen
- Built-in high-speed thermal receipt printer
- Available on the PAX A920 and A80

## SwipeSimple Register

Versatile payment acceptance solution for higher-volume businesses with stationary countertop locations.

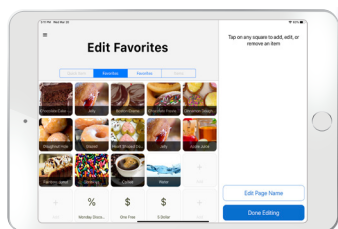

- Use your own tablet or mobile phone
- Card reader cradle with built-in charger
- Cash drawer and receipt printer available

## Business management tools

Every SwipeSimple account includes access to the SwipeSimple Dashboard, so you can:

- View real-time transaction history, manage Item Catalog, and more
- Access reports, analyze sales trends, and discover top-selling items
- Track employee performance and manage access permissions

## Trusted by 50,000+ merchants

SwipeSimple is used by a growing number of merchants, including:

- Professional service providers like salons and automotive shops
- Food and beverage businesses like bakeries and coffee shops
- Retail establishments like sporting stores, florists, and music stores
