Derry, NH, August 18, 2026

The Upper Room, a Family Resource Center in Derry is excited to begin a new initiative in partnership with the See Science Center located at 200 Bedford Street, Manchester, NH. ***Little Explorers*** will begin Friday September 4th and will run the first Friday of the month from 10:00 – 11:30 AM FREE. This is an initiative will offer families with children 0 – 6 a place to explore, be curious and connect with other children.

Born from a conversation between Shawna Hawrylchak and Brenda Guggisberg, the two agreed that children and families can appreciate and grow with access to places like the See Science Center. “When Shawna mentioned that we should partner to bring Upper Room families to the center, I was over the moon, and excited to begin planning for this to happen for families in the Southern region.” States Guggisberg. “Having access to educational developmentally engaging activities builds the structures for future learning and interests”.

The Upper Room will greet families at the See Science Center located at , the first Friday of the month as scheduled and will also promote the many programs offered at the center throughout the year for all age groups and interests.

If you would like to learn more about this program please contact The Upper Room at 603-437-8477.

About The Upper Room

Founded in 1986, The Upper Room, a Family Resource Center is a non-profit 501(c)(3) organization committed to strengthening individuals and families by providing them with the education, services and resources needed to lead healthy, self-sufficient lives. Our center is a warm, welcoming place where families receive information and support not only in times of crisis but on a day-to-day basis. We place no boundaries on service, and help all who come to our center seeking support. For more information, call (603) 437-8477, or visit our website at URteachers.org
