The Upper Room Family Resource Center in Derry is excited to share that it received a donation from the Salem Women's club. The club was looking for ways to support the community and found that they wanted to support The Upper Room. "We are thankful for the outreach from the club and the support that will pay for 5 individuals to take the HiSET Exam at the center." Shared Brenda Guggisberg, Executive Director.

The Upper Room runs a HiSET Program which offers academic support, college and career readiness and other services that support students toward high school completion and their future plans including work, college, apprenticeships, or military training.
