Derry, NH, September 4, 2026

The Upper Room Family Resource Center in Derry is partnering with the YMCA, to offer a presentation to discuss the substances being targeted to youth, that can cause extreme harm or death, and are being used to get "high". On September 24th from 6:30 – 8:00 PM, at YMCA 206 Rockingham Road Londonderry, join Upper Room staff along with content presenter: Laurie Warnock, for a conversation about what products are being promoted and geared toward teens. "We are aware of substances that are unregulated, and can cause extreme highs and health risks" States Melinda Mackenzie Family Wellness Program Coordinator. "Often times parents or caregivers do not even know these are dangerous or that teens are using them to get high, and we want to be able to share some of the trends and what to look for to educate families about the risks". Mackenzie continues.

The Upper Room offers teen and family programs and wants to expand this conversation to the general public. Registration is required, and childcare available upon request. Call 603-437-8477 x 126 to register for this community presentation. It is FREE of charge.
