Who We Are

LGConstructions Pty Ltd is a well-respected, family- operated residential and commercial local building company. A father and son combination , Malcolm & Lachlan Gray have over 50years industry experience. Strongly supported by a team of full-time dedicated employees they pride themselves in being very “hands-on” with all of their projects.

Workplace audits, inductions & job site vigilance provide an insurance to all connected with our business that you can be confident you are in Safe Hands

About Us

We specialise in delivering high-quality, custom-built homes and renovations across the Northern suburbs of Wollongong with our personal touch.

Successfully completing a wide variety of projects including Residential, Commercial & Heritage: New builds, Renovations and Refurbishments. Our approach is for a motivated team attention to detail and a commitment to exceed client expectations. Concept to completion, we work closely with owners, architects, and designers to ensure each project is completed on time, within budget, and to the highest standard. With a reputation for excellence and a passion for creating functional, beautifully designed spaces, we take pride in transforming visions into reality. Whether building from the ground up or redesigning an existing home, we're here to guide clients through the journey with expertise and transparency Ensuring we will maintain a strong ongoing relationship post construction.
