HOME, SUITE HOME!

It's hard to know where Avalon's award-winning Panorama Suites[SM] end and the views begin! That's because no other river cruise fleet offers you a view of the world like Avalon Suite Ships®. Featuring the widest-opening, wall-to-wall, floor-to-ceiling panoramic windows in river cruising, our Avalon Panorama Suites are designed with river cruising's only Open–Air Balcony®, with living space that's 30% larger than the industry standard. And you'll never have to choose between lying in bed and seeing the view because, unlike other river cruise ships with beds that face the wall, Avalon's Comfort Collection Beds[SM] actually face the view—so you can stretch out and watch the world go by.

Think of it as a view with a room!

SMALLER SHIPS.
BIGGER SPACES.

SET SAIL IN SPACIOUS STYLE

When it comes to river cruising, bigger isn't better—unless it means larger space for you! With an average of just 160 guests on board, Avalon gives you up to 15% more space with more room to roam, relax, and revel in the views! And our 3:1 guest-to-crew ratio means personalized service that caters to your preferences. Our Panorama Suites are 30% larger than the industry standard, featuring wall-to-wall, floor-to-ceiling views with Open-Air Balconies. The magic of river cruising is all about more space, fewer crowds, and a front-row seat to the world's picture-perfect panoramas. On shore, you'll explore with more elbow room thanks to our smaller group excursions with your choice of Classic, Active, or Discovery experiences. Come aboard to see the difference with Avalon!

PACK YOUR **PASSIONS.**
