Ywangan

Smallholders and women-led processing in southern Shan

Altitude 1,300 m

Varieties Catuai

Read full origin story ↗

On the southern Shan plateau at around 1,300 metres, Ywangan is known for its smallholders and women-led processing mills. Thanaka has partnered with AMAYAR Coffee since 2019, supporting the region through sourcing and technical exchange across harvesting, processing and export, and connecting its coffees with specialty markets.

Washed Honey Natural NT$/kg • Tax-exempt green coffee • Price per kg

1kg loose **NT$ 480**

30kg pack **NT$ 430**

Read full origin story ↗

Hopong is a Shan highland region cultivated by generations of Pa-O farmers. Alternative development programmes have encouraged a transition to coffee, while returning young people have taken up cultivation and processing. Since its first visit in 2023, Thanaka has continued to promote these coffees and work with local mills to connect village producers with wider markets.

Washed | Honey | Natural — NT$/kg • Tax-exempt green coffee • Price per kg

Ordering

Commercial Ordering & Terms

01 Select & enquire

Send the coffee name or number, quantity, pack size, contact details and delivery address.

02 Confirm your order

Confirm stock, prices, freight and lead time. Supply invoice details when ordering.

03 Pay & dispatch

Send the last five digits of your remitting account or payment proof. Dispatch follows payment verification.

Pricing & packaging

All prices are NT$/kg, not per sack. Green coffee is tax-exempt in Taiwan. Minimum order: 1kg.

Available sizes: 350g samples, 1kg, 5kg and 30kg, subject to the lot. Standard sacks: 30kg; No.19: 5kg packs.

Custom repacking/vacuum processing: NT$10 per 1kg bag; NT$20 per 5kg bag.

Shipping & lead time

Free domestic shipping in Taiwan on orders of 10kg or more. Below this threshold, freight depends on the delivery method; remote-area surcharges apply.

Domestic options include HCT Logistics, postal and convenience-store delivery. International and bulk orders are quoted individually.

In-stock orders dispatch within 3 working days of order confirmation. Full payment is required before dispatch, except for customers with agreed credit terms.

Bank transfer

First Commercial Bank · Bank code 007

Account name: 宏俐國際有限公司

Account: 281-10-117805

Send the last five account digits or payment proof for verification.

Quotes & stock

Quotes are valid for 7 days from issue. Stock is not reserved until the order is confirmed and paid.

Stock and market prices may change. Reconfirm the total before payment. Promotional offers may be amended or ended.

Commercial purchases & returns

Scope For commercial, wholesale and roasting customers under our commercial terms; no general retail seven-day cooling-off period is offered.

Inspection Check quantity and visible condition on receipt. Photograph and report damage promptly. Other return/exchange requests must be made within 2 weeks of receipt.

Packaging Shipped in vacuum or coffee storage bags. Under our commercial terms, loss of vacuum caused by transit impacts is not grounds for return or exchange.

Measurements Moisture and density vary with instruments, sampling and conditions. Figures are for reference, are not grounds for returns, and do not include further technical consultation.
