

Our topic tonight was “What was your faith journey into the Catholic Faith?”. Since these were personal and revealing testaments given by 3 of us tonight, I will not publish what was said. Next week we will pick up this topic from those who have not discussed it yet.

We did learn a very interesting fact tonight about the first people and a vegan diet. Rich made us aware that in the Garden of Eden:

“God also said: See, I give you every seed-bearing plant on all the earth and every tree that has seed-bearing fruit on it to be your food; and to all the wild animals, all the birds of the air, and all the living creatures that crawl on the earth, I give all the green plants for food. And so it happened” GN 1:29-30

Then after the flood he said to Noah:

“Any living creature that moves about shall be yours to eat; I give them all to you as I did the green plants. Only meat with its lifeblood still in it you shall not eat.” GN 9:3-4

Our next meeting will be Tuesday Nov. 4th from 5:30pm-6:30pm.
