

Faith Sharing notes 2025-11-04

We continued with Our topic “What was your faith journey into the Catholic Faith?”.

Since these were personal and revealing testaments given by 3 more of us tonight, I will not publish what was said.

At our next meeting, we will pick up this topic from those who have not discussed it yet.

Rich had a handout about “your Church has a brain”. I will pass out copies at our next meeting. We are very fortunate to have a Rich Barlow in our group. Rich was a **Boston Globe religion columnist, book reviewer, and occasional op-ed contributor**. He is now a senior writer at BU. We will try and retrieve some of his articles and review them in our group.

Is it enough just to believe in God? No. Because even the demons believe in God!

Next meeting will be 11/18 at 5:30pm.

Blessings to our wonderful group.

Norbert
