2. PURPOSE OF POLICY

- 1.1. Goal: To ensure volunteers receive the information and support they need to perform the role of an official at meets and meet hosts understand their responsibility to provide adequate, certified officials at their meets.

3. DEFINITIONS

- 3.1. **“Certified”** USA Swimming and Utah Swimming require officials to complete specific requirements before working in the capacity of Stroke and Turn Judge, Starter, Referee and Administrative Official or Referee. After completing the requirements and receiving notice of advancement, an official is then certified to work in that position. USA Swimming also requires officials to show credentials, proof of specific certifications.
- 3.2. **“LSC”** Local Swim Committee, the regional governing body for USA Swimming. The LSC for the state of Utah is Utah Swimming.
- 3.3. **“Official”** Person certified to act in the capacity of Referee, Starter, Administrative Official, Chief Judge or Stroke and Turn Judge at the meet. USA Swimming rules state that meet officials must be Non-Athlete Members of the organization.

4. OFFICIALS POLICIES

4.1. Volunteers

- 4.1.1. Utah Swimming uses volunteer officials. They may not receive monetary compensation for officiating. Reimbursement of incurred expenses, thank-you gifts, and waiver of swimmer entry fees are allowed.

4.2. Championship Travel Reimbursement

- 4.2.1. UTSI certified officials intending on working sectional meets, the Western Zones Meets, and higher-level meets, may apply to the Officials Chair for consideration to receive supplementary funding to help defray some of the incurred expenses. Preference will be given to those who have not previously officiated at this level and may be adjusted according to funding available and numbers applying for reimbursement. Officials must work **at least 4** sessions at the meet for reimbursement consideration. Submission of receipt(s) showing incurred expenses, which have not been reimbursed or covered through another means, are required.

4.3. Coach Officials

- 4.3.1. Any registered, certified Coach Member of Utah Swimming may not officiate at any meet where athlete members of their club are swimming.

4.4. Officiating Hours

- 4.4.1. Officiating: Hours worked, and thereafter recorded in USA Swimming's OTS, may be accumulated at either UTSI Swimming/USA Swimming or Utah Masters Swimming/USMS sanctioned events.

4.5. Club Athlete to Officials Preferred Ratio

- 4.5.1. Clubs should strive for a 20:1 swimmer to official ratio.

4.6. Enough Officials to Conduct Meets

- 4.6.1. Any Meet Sanctioned or Approved by the Utah LSC must be conducted in compliance with USA Swimming Rules in that it must be administered and observed by a sufficient number of LSC officials certified for the positions of Referee, Starter, Administrative Official and Stroke and/or Turn Judge(s).

4.7. Responsibility to Provide Officials

- 4.7.1. As our officials operate on a volunteer basis, it is the responsibility of the hosting Club to recruit and provide the required minimum number of officials. The Meet Director or designee, whose contact information is published on the Meet Announcement, will act as the contact person for officials volunteering to work the meet. The hosting team may alternatively provide an internet link for a volunteer sign-up page, or other such measure, to record the names and assignments of officials planning to work the meet. At the time teams submit entries, they should include a list of officials from their team who are planning on officiating at that meet. If further individual contacts need to be made for official recruiting purposes, the UTSI website maintains a current list of certified officials and their contact information. The Officials Chair also maintains an email distribution list for all UTSI certified officials, as the Member Communications Coordinator does for team contacts and/or officials, and they may assist in sending out email "blasts" requesting officials to volunteer for the meet. The lists of officials committing to work at the meet shall be shared with the Meet Referee.
- 4.7.2. Alternatively, it is the prerogative of the Meet Referee to assume responsibility for the recruitment and positional assigning of officials for their meet.

4.8. Unattached Official Non-Athlete Registration Fee Reimbursement

- 4.8.1. To qualify for Non-Athlete Registration Fee reimbursement, the Official must meet the following criteria.

4.10. Misconduct by a Utah Swimming Official

4.10.1. Governing Organizations

- 4.10.1.1. A mandated reporter is a person who is legally required to ensure a report is made when abuse is observed or suspected. The state of Utah designates a Mandatory Reporter as “any person who has reason to believe that a child has been subjected to abuse or neglect” (Utah Code Ann. §62A-4a-403). This report must be made to a law enforcement agency or the Division of Child and Family Services.
- 4.10.1.2. Additionally, Safe Sport and other USA Swimming Code of Conduct violations are reported directly to the organizations as instructed at www.usaswimming.org/report.
- 4.10.1.3. Utah Swimming may address other misconduct by an official not addressed by the US Center for Safe Sport, USA Swimming, or other entities. This includes USA Swimming rule and regulation violations and/or Utah Swimming rule, regulation, and policy violations by the official.

4.10.1.4. Utah Swimming Officials Committee

- 4.10.1.4.1. As the LSC governing body over official certification, the Utah Swimming Officials Committee proactively uses opportunities for mentoring and education, but also may take disciplinary measures upon Utah Swimming officials. This may include suspending or revoking the Utah Swimming official certification of any official who has committed USA Swimming Rule and Regulation violations and/or Utah Swimming rule, regulation, and/or policy violations during their officiating duties.
 - 4.10.1.4.1.1. The severity of the consequence of their action or inaction upon athletes will be a prime consideration.
 - 4.10.1.4.1.2. Where applicable, established patterns of uncorrected behavior despite clear communication of the need to change previously given by the Officials Committee will be another consideration.
- 4.10.1.4.2. The Officials Committee disciplinary scope of action is limited to requiring additional training or observation; issuing an informal or formal reprimand; and/or reducing, suspending or revoking the LSC certification of the official. The committee may not revoke or suspend USA or Utah Swimming membership. Additionally, they do not address issues handled by other bodies such as the US Center for Safe Sport or USA Swimming. Formal consequences require that a quorum be present at an officials committee meeting and that more than 50% of those present agree with the decision by a vote.

4.9.1.5. Utah Swimming Administrative Review Board

- 4.9.1.5.1. The Utah Swimming Administrative Review Board may hear cases involving officials. However, only the Officials Committee may suspend or revoke a Utah Swimming official’s LSC certification or invoke other educational or disciplinary measures regarding the official’s training or certification.

4.9.1.5.2. The Administrative Review Board may refer cases to the Officials Committee as appropriate and vis versa.

4.9.1.5.3. The Administrative Review Board is the appellate body for an official who feels improper action was taken by the Officials Committee. Appeals must be applied for in writing within 15 days of the official's notification of disciplinary action by the Officials Chair.

The General Chair, Officials Chair, and/or Administrative Review Board, in response to a written, timely allegation of misconduct of a Utah Swimming Official by a Utah Swimming member, may authorize a confidential inquiry to determine whether a further investigation or action by the Officials Committee is warranted. Written complaints must be received by one of the above within 30 days of the alleged incident.

4.10.2.1.1. In this case, "timely" is defined as within 30 days of the alleged incident.

4.10.2.1.2. As a result of involvement with a case, the Administrative Review Board may refer information regarding possible misconduct of a Utah Swimming official to the Officials Committee for further review and possible action. In this case, timely is 7 days after the resolution of the case.

4.10.2.2. If confidential inquiry determines further investigation or action by the Officials Committee is warranted, the official shall be notified within 15 days of receipt of the original complaint and given the opportunity to respond to the complaint in writing.

4.10.3. Possible Actions by the Officials Committee Actions

4.10.3.1. The Officials Committee may receive, review, and privately discuss information pertaining to the alleged incident. High standards of confidentiality are expected and will be enforced. 4.10.4.1. If the Utah Swimming Officials Committee decides that an official's Utah Swimming certification should be either reduced, suspended or revoked, the Utah Swimming General Chair must be notified of this intention.

4.10.4.1.1. If the official is also nationally certified, the Officials Chair should also make USA Swimming National Headquarters aware of the LSC actions if they might affect the official's national credentials. (For example, if LSC certification in a specified position is required for national certification.)

4.10.4.2. The General Chair or Officials Chair must advise the official in writing of the suspension or revocation of certification and of the official's right to petition the Utah Swimming Administrative Review Board for a hearing if they feel the action taken is improper. Appeals must be applied for within 15 days of notification.
