Company Profile

OUR MISSION IS TO ORGANIZE, TRAIN AND INTEGRATE YOUNG ADULTS INTO THE LABOR FORCE & DELIVER EFFICIENT PERFORMANCE WHILE MAINTAINING THE HIGHEST STANDARDS OF SAFETY.

Led by Amin Soriano, 809 Solutions LLC has been providing quality sidewalk shed & scaffolding installation as well as temporary fence installation since 2010. We also provide education and training in diverse construction trades. Previous projects include: Assisted Gramercy Group USA in the demolition of the International Market Place by erecting the scaffold for the Miramar Hotel, a \$400M project. In addition to The Queens DEP Water Towers Demolitions. We installed sidewalk shed in multiple NYC, NYU locations. These projects ranged from \$10K-\$40K. Our safety policy has zero tolerance for unsafe behavior. Safety training and education is ingrained in our DNA, Because of this we've had no accidents since our company was founded in 2010. Our EMR is less than 1.0 and our loss run for G/L & W/C Is 0.0
