Customer Reviews

“Nevarez Moving Company are true professionals! They were efficient while working quickly! Each piece of furniture was carefully wrapped and each box was moved with caution. We moved from a two-story townhouse to a single family home. I couldn't imagine moving any of my furniture down the stairs which is why we left it to the professionals! Thank you Nevarez Moving Company! You made our lives so much easier!”

San Sor

“I've used Nevarez Moving before and was very satisfied. This time I needed their services immediately and they were able to do my parents senior move the same day! This time they did an outstanding job.”

Mike Grossman

“We just moved our two bedroom home with Nevarez company and the complete process, including communication, planning, packing and protecting the furniture, disassembling / assembling when needed, postponing the move for a day because of rain - all went smooth and perfect! Alan and Mark were both pleasant to work with and careful in protecting furniture and floors. On top of that they worked really hard and finished quickly - absolute recommendation!!”
