

# Assessment: Advanced VT

---

*Will this workshop help me?  
How many of these statements apply to your organization?*

## Communication

---

- I promote and utilize OIS (Open Information Sharing).
- We have intentional and tailored monitoring approaches to assist team processes.
- We employ an interactive, engaging process during meetings.

## Team Building

---

- The motivation techniques used with our remote workers are effective.
- We encourage shared leadership/mentoring relationships among team members.

## Virtual Evaluation

---

- I have a clear, effective evaluation process for myself and my team members.
- Accountability is not an issue on my virtual teams.

## Conflict

---

- I effectively mediate and resolve conflict within my virtual team.
- My team members understand how to resolve conflicts themselves.

## Multiple Virtual Team Management

---

- We are able to effectively work through communication and cultural differences between teams.
- I know how to reduce the costs of switching between multiple teams.
- I am aware of, and sensitive to, team members' experiences working across teams.

## Results

---

Could you apply all of these statements to your virtual teams practice? If not, we can help! To find out more about creating/managing successful virtual teams, **contact us**.
