

# Making Teams Successful Workshop

## About RStandifer Workshops

Dr. Rhett Standifer is a management professor and team expert with over 25 years experience. This virtual workshop combines research-backed insight with practical strategies and engaging discussions, to help you create and lead effective and distinctive teams. It consists of 4 hours of interaction time with participants.

## In This Workshop...

I will work with your teams to provide them with the best tools and techniques to fit their needs, and help them reach their full potential. My workshops are interactive — we work together to reach your team goals.

- ✓ Ideal for managers, team leads, and team members
- ✓ Specific strategies to aid team performance, improve communication, and build “soft” team skills

## Learn About:

**Putting your team together & building a good foundation**

**Working collaboratively, task allocation, and role clarity**

**Communicating for performance, trust, & engagement in members**

**Assessing team members & managers and evaluating performance**

**Ways to resolve “bad” conflict and use “good” conflict productively**

**Supporting mental health and psychological safety in teams**
