

7 DAY PRACTITIONER TRAINING

Neuro-Linguistic Programming, Time Line Therapy®, Hypnosis and Coaching are innovative approaches to understanding and directing human experience, communication and behaviour. In just 7 days you will have the opportunity to become certified as an NLP Practitioner, Hypnosis Practitioner, Time Line Therapy® Practitioner and NLP Coach, so you will have the skills you need to start or build a coaching business and see clients the day after your training finishes.

Using 4 advanced skill-sets together is so much more effective than just one, and as a result the change you have with your paying clients will be even more enhanced, because you will learn what you need, to understand the relationship between Mind, Body, Emotions and Actions. You will also experience 7 days of life changing personal and professional development, which will have a measurable positive impact on ALL areas of your life, including finances, career, health, relationships and family.

Certificate 1: The NLP Practitioner and Coaching Certification

Neuro-Linguistic Programming (NLP) is the most practical, results oriented technology of detecting, understanding and getting in control of our conscious and unconscious thinking. We will show you how to use NLP with yourself and others -- individually and as a coach.

Some of the specific topics we cover at our live training are:

- Negotiations - achieve agreement with anyone
- Rapport – how to create instant liking and agreement
- Representational Systems - how we use our 5 senses to represent internally the information from the world
- Submodalities – the programming software of your mind
- Language Patterns - use words elegantly and with purpose
- Anchoring – how to control your feelings and your state of mind instantly
- Strategies - how to control your mental sequence of internal processes to create specific results
- Parts – stop inner conflicts that drain the body of energy
- Plus much more
