THINGS TO KNOW

- Once the venue is booked for your event, no other events will be booked for the same day.
- The Tasting Room will remain open during regular business hours unless prior arrangements to pay for an early closing have been made.
- We can comfortably accommodate up to 150 guests.
- We provide a Venue Coordinator to ensure the venue runs smoothly. This is a representative of the winery, not a wedding coordinator.
- The Venue Coordinator is not a Wedding Coordinator, which you will be responsible for hiring. Your Wedding Coordinator will be responsible for vendors and set-up/clean-up crews.
- We have a great list of preferred vendors for all your wedding needs. If you wish to use vendors outside of this list, they will need to be licensed, insured, and approved by Parrish Family Vineyard.
- San Luis Obispo County ordinance mandates all “plugged in” music be shut down by 10 PM.
- Guests are to vacate the property by 11 PM.
- Parrish wine must be purchased for the venue. Beer and other beverages are available. Spirits are not permitted on site due to our licensing. All alcohol must be served by a licensed and insured bar service.
