CELEBRATING 25 YEARS!

Seven Locations • Competitive Cheer • Tumbling Classes • Private Lessons

Welcome to The California All Stars!

SEASON 25 IS HERE!

Our CALI Family is one of the top all-star cheerleading programs ranked globally. We focus on a "team first" environment, while concentrating on the success of each individual athlete. We place equal focus on levels 1-7, to give our athletes the best journey possible. The life lessons our athletes have learned over the past 25 years have lasted well into adulthood. Lifelong friendships are formed between not just the kids, but also the families. Many of our former athletes have attended each other's weddings, graduations, and have *remained family* over the years! We are humbled, blessed and filled with gratitude as we embark on our 25th season. Thank you for choosing CALI. It is a privilege to work with you and your family this season.

Fun & Family

"From the moment my daughters joined The California Allstars, we knew we had found our people! This gym is more than just a place to train—it's a family. The coaches are knowledgeable, supportive, and incredibly dedicated. Three seasons in, and one of my girls is already an L5 Summit champion! Cali provided her with the training, dedication, and competitive drive she needed to reach that goal!"

—Natalie Pixley

"Becoming part of the CALI family has been one of the best decisions I've made as a parent. With CALI's World-Class Coaches, my two young athletes have grown tremendously—not just in skill, but in character. Confidence has taken center stage with lasting friendships and strong values close behind. If you're looking for a place where your children can thrive, grow, and truly belong—CALI is it."

—Brenda Jimenez

"We've been part of the California All Stars family for five amazing years, and we honestly couldn't have asked for a better program! The coaches have made a lasting impact on both me and my athlete, and we're incredibly grateful for the role they've played in my athlete's growth. 'Faith over Fear' and 'The Cali Family' are more than just words—they define how we live, compete, and support each other. We wholeheartedly trust the process, and it's been an incredible journey. I highly recommend California All Stars and can't wait to see our Cali Family grow even more in Tucson this upcoming season!"

—Brittany Cronen

Teamwork & Excellence

"This is going to be our 5th season with Cali, and I become more and more thankful for the family that surrounds us at this gym. When you walk into this facility, it radiates power.

Power in the number of athletes, power in the amount of talent held within these walls, power in the faith that drives every move made by the staff. God has blessed this gym with the power to be His light in a world that desperately needs it. Each coach drives results centered in faith and dedication to the athletes they are cultivating. We are blessed and proud to call Cali home, and we know you will be too!"

—Kylie Powell

"Watching my daughter grow up at the California Allstars has been a truly rewarding experience. From junior level one to Lady Bullets, she has learned so much more than cheerleading skills. Cali has taught her hard work, perseverance, and the importance of being part of a team. She's gained confidence and leadership skills that will serve her well beyond cheerleading. The coaches genuinely care about each athlete's personal growth, and I am so grateful for the lasting impact this gym continues to have in her life."

—Kelly Jacob

"The California ALL-Stars has been a huge part of my daughter's cheer journey the last 13 years! This is her second home. CA has taught my daughter so many life skills: teamwork, elite skills, mentorship from the best coaches, and making lifelong friends. The California ALL-Stars will always hold a special place in our family hearts. Thank you, Tannaz and CALI family, for giving us the best years!"

—The Coria Family

LIFE LESSONS

The California All Stars trains athletes to develop life skills such as discipline, hard work, goal-setting, time management, and accountability.

We prioritize teamwork and believe in building confidence through support and encouragement in a nurturing environment that promotes physical and emotional growth. Skills include:

DISCIPLINE

Hard work, goal-setting, time management, and accountability are the cornerstones of our training. We can achieve anything we set our minds to, demonstrating that success is always within reach when we stay focused and dedicated to our goals.

TEAMWORK

Not me, but WE! Cheerleading is a sport where everyone is important. Each person is crucial to the success of the team and the routine. Our philosophy is that the team always comes first. We all work TOGETHER, and succeed TOGETHER!

CONFIDENCE

Building confidence in oneself is a by-product of hard work and encouragement. The CALI Family creates an environment which encourages physical and emotional growth through support by peers, coaches, and parents. There's no better place to GROW!
