

**Early Notice and Public Review of a Proposed
Activity in a Floodplain**

This is to give notice that the City of Lava Hot Springs is conducting an evaluation as required by Executive Order 11988 Floodplain, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management, to determine the potential affect that its activity in the floodplain will have on the human environment. The Lava Hot Springs Drinking Water Well Development Project is funded in part by an Idaho Community Development Block Grant. The project scope of work includes the development of a well, well house, and 4,300 Linear Feet of Transmission Line, and will encompass an estimated .25 acres of floodplain. The proposed project(s) is located in the area of impact of the City of Lava Hot Springs.

The purpose for this notice is to involve the affected and interested public in the decision-making process.
