Description

BRENNER Volt 800 Series 900mm Induction Griddle with Undershelf - BREE8-900GP

Designed for commercial kitchens, cafés, restaurants and takeaway outlets, the BRENNER Volt 800 Series Induction Griddle delivers fast, energy-efficient cooking with precise temperature control and even heat distribution for consistent cooking results.

This 900 mm model has an 820 × 560 mm cooking plate and runs on a commercial 415V three-phase supply.

Key Features

- **Fast, energy-efficient induction heating** – Even heat distribution across the cooking surface.
- **18 mm heavy-duty carbon steel cooking plate** – Precise temperature control from +80 to +300 ° C.
- **Easy cleaning** – Integrated grease collection tray.
- **Practical storage** – Undershelf for convenient storage.
- **Heavy-duty stainless steel construction** – High splashback protects surrounding walls; adjustable feet with rear swivel castors.
- **Built-in safety** – Built-in overheat protection.
- **Griddle size (W × D)**- 820 × 560 mm

***Important:** always operate the griddle with food or cookware on the cooking surface. Prolonged heating without a load may damage or discolour the cooking plate.

***Choosing your model:** available in 600 mm (BREE8-600GP, 520 × 560 mm plate) and 900 mm (BREE8-900GP, 820 × 560 mm plate).
