A COMMITMENT TO EXCELLENCE

Ralph has dedicated over 50 years to the building industry, serving as an officer for both state and local Home Builder Associations and as a Director of the National Association of Home Builders. His leadership and commitment to advancing quality standards have helped elevate the craft of homebuilding throughout the region.

After growing up in the industry, Jarod joined the Company in 2000, proudly continuing the family tradition of excellence in homebuilding. His passion for innovation, quality craftsmanship, and customer satisfaction reflects the same high standards that have long defined the family's legacy. Together, Ralph and Jarod represent generations of dedication to building not just homes, but lasting trust, value, and distinction in every project they undertake.

“RALPH AND JAROD ARE EASY TO TALK TO, PROFESSIONAL, AND CLEARLY TAKE PRIDE IN THEIR WORK. THE QUALITY OF OUR HOME SPEAKS FOR ITSELF—WE ABSOLUTELY LOVE IT!”

John & Shelly C.

QUALITY CRAFTSMANSHIP TRUSTED SERVICE

Ralph began his construction journey in 1973, shortly after graduating from Baltic High School. After marrying his high school sweetheart, Debbie, the couple moved to Ft. Lauderdale, FL where Ralph worked in asphalt and carpentry while attending Allstate Construction College, and he later became a licensed General Contractor.

In 1990, Ralph returned to his roots, settling in Spearfish, South Dakota, to continue his construction career. His son, Jarod, joined him 25 years ago, contributing a meticulous eye for detail and mastering every phase of the business. Together, they have built a reputation as one of the top homebuilders in Western South Dakota.

“THE QUALITY OF THEIR WORKMANSHIP IS UNMATCHED. THEY KEPT US INFORMED AND OFFERED HELPFUL SUGGESTIONS AND IDEAS THROUGHOUT THE PROJECT. THE END RESULT WAS A HOME THAT NOT JUST MET OUR EXPECTATIONS, BUT EXCEEDED THEM.”

Travis & Trivian M.
